PLEASE NOTE

Some items are required in more than one area. A good example of this is colored pencils. This does not mean you must purchase multiple sets of colored pencils, but you will need to have them available for each class. Other examples of this are pencils, pens, etc.

The TEXAS INSTRUMENTS TI-30X IIS is the state approved OAA/OGT calculator. This calculator will be available for purchase at the Middle School office.

Additional supplies may be required for special projects and/or elective courses.
