

Apples For The Students

“Apples for the Students” is All New in 2010-2011

Ledgeview Elementary is encouraging its families and supporters to enroll their *Giant Eagle Advantage Cards®* in the *Apples for the Students* program beginning now through March 14, 2011 so that every purchase earns educational awards for the school at no personal cost. If you grocery shop at Giant Eagle and use an *Advantage Card®*, you can earn points for our school just by being enrolled!

Please note that with the new program, **everyone must enroll a *Giant Eagle Advantage Card®*, even those who registered in past years.** It's easy to enroll.
