

# KD G

## KDG Readiness Update

### KRA App

The KRA Web App will be available at the beginning of August. The link to the KRA Web App will be posted to the KReady online system login page. This online Web App can be used on your Chromebooks and will not require a download. Once the Web App is ready for use, ODE will send a message to data managers and include information in the K-8 District Test Coordinator Bulletin.

### Important Dates

**LV tests: 9/17-9/21**

**RW tests: 9/24-9/28**

**NF tests: 10/1-10/5**

The administration window closes on Nov. 1. Teachers must have entered all KRA scores for students in KReady by 11:59pm.

### New Features

There are some other new features for teachers which you can learn about in this [2018 KRA Updates document](#).

## KDG Readiness Assessment

For teachers, [click here](#) to resources, forms, and reports.

For teachers to share with parents, [click here](#) for numerous prepared resources to share with your families.

For administrators to share with parents, [click here](#) for numerous prepared resources to share with families and for updates to share with your staff.

Here is the link to sign in to [OhioKready](#).

Reminder \* **KRA raw data** is immediately available to teachers as they administer the items, and we recommend teachers use that as baseline data to inform kindergarten instruction based on the needs of the students.
