

A Girl Scout program for girls entering Kindergarten or First Grade in the fall.

A Girl Scout in the Daisy by Mail program receives three activity packets in the mail, one in July, August, and September. Each packet will provide fun and interactive activities in multiple Girl Scout program areas such as arts, science, and even financial literacy - which help girls gain an understanding of money and the responsibility that goes with it. The activities are designed for girls to do along with a parent, guardian or another trusted adult and their family.

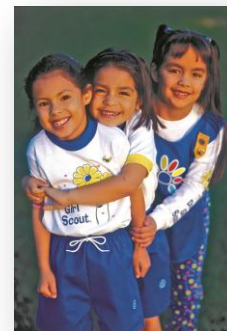

In the fall all girls in the Girl Scout Daisy by Mail program and her parents will be invited to help start new Daisy Girl Scout Troops, so the girls can continue their Girl Scout experience.

Each girl in the Daisy by Mail program is also a registered Girl Scout member. The \$24 fee pays for membership through September 2013 and as such your Daisy is invited to participate in all Daisy Girl Scout programs (see GSNEO.org for the Faces & Places Program Guide).
