Nordonia High School Drama Club Presents

HER LIPS ARE SEALED

An Interactive Comedic Murder Mystery Dinner Theatre
By Mary Krell-Oishi

Samantha Spaed is summoned to solve the murder of Hedda Parseword, star of the Broadway stage, who is murdered the night of the fundraiser for snowball’s chance. Ives Gottsbucks, the famed Broadway producer, is looking for a fresh face for his new show and Hedda wasn’t too pleased with him. Was it Misty Shores, the Broadway starlet with her gangster boyfriend Pretty Boy Barnes? Or Helena Hazbendare, Hedda’s best friend who is trying to make her comeback? Perhaps Fernando de Las Vegas has finally had enough of waiting hand and foot on hedda. Also in the list of suspects is Sterling Snootmeister, Jimmy the Weasel, Jean Astair and Nimrod Hunter. Come help us figure out whodunit!
