THIS FORM WILL EXPIRE AT THE END OF THE SCHOOL YEAR

In order to administer prescription drugs to students in the public school, there must be compliance with O.R.C. S3313.713, which requires information from both the parent and the child's physician. Therefore, the parents and physician must fill out the back of this form completely. The form must be on file with the Principal before any prescription drug can be administered in school.

Table II. TO BE COMPLETED BY PARENT/GUARDIAN (Prescription) ALL SPACES MUST BE COMPLETED

I give permission for my child _____ to receive prescription medication at school according to school district policy and as instructed by the physician and agree to:

- Assume responsibility for safe delivery of the medication to the school.
- Have a new form completed by the physician if medication or dosage is changed.
- Notify the school if we change physicians.
- Prescription must be received in original container in which it was dispensed by pharmacy.
- I release and agree to hold the Board of Education and all school employees harmless from any and all liability for damages or injury resulting from the use, misuse, or non-use of such medication.
