

Dear Parents:

This letter is being sent to all parents of students who are entering grades 9-12 for the 2012-2013 school year. The state mandates that we notify ALL parents of the opportunity to participate in the Post-Secondary Enrollment Options Programs (PSEOP). As a part of Senate Bill 140, the Ohio Legislature established the Post-Secondary Enrollment Options Program. The program permits high school students in grades 9-12 to earn college and high school graduation credit through the successful completion of college courses on a college campus. The bill establishes guidelines and procedures for enrolling 9-12 grade students in the program. The postsecondary institutions to which this option program applies are state-assisted colleges or universities and any other nonprofit educational institution that holds a certificate of authorization pursuant of Chapter 1713 of the Ohio Revised Code. The legislation requires school districts to inform students and their parents of this program on an annual basis.

Note: If you plan to participate in the program for the 2012-2013 school year, parents and students MUST attend a mandatory meeting outlining the requirements for participation. The meeting will be held on Thursday, February 9, 2012, at 7 p.m. in the auditorium. The meeting will outline program guidelines and responsibilities and will specify procedures to be followed. Following the mandatory meeting, students and parents will be responsible to search for appropriate colleges, meet all application deadlines and inform Nordonía High School guidance department of all acceptances, scheduling and grades.

The Postsecondary Enrollment Options Intent to Participate and Student/Parent Acknowledgement forms must be returned to the Nordonía High School Guidance Department on or before March 30, 2012. Forms will be given out during the February 9 meeting. If you plan to attend the meeting, please return the form below to Mrs. Pannitto in the guidance office no later than Tuesday, February 7. We will have specific information prepared for you to take home and review. Call your counselor at 330.468.4603 if you have questions.

PLEASE NOTE – Even if you participated in PSEOP in 2011-2012 school year, this meeting is mandatory for reenrollment in the 2012-2013 school year.

We will attend the POSTSECONDARY ENROLLMENT OPTIONS meeting on February 9 at 7 p.m. in the auditorium.
