

SQUIRES IN TRAINING

Are you interested in joining a club at school that will help you and your classmates be more positive people? If you are fun, creative and hardworking, this would be the club for you! We are looking for students who are interested in being leaders and who can demonstrate the Six Pillars of Character (**trustworthiness, respect, responsibility, fairness, caring and citizenship**) throughout the school. This club will meet once a month after school from 2:30-3:30 p.m. on Wednesdays with Mr. Volk and Volunteer Parents. During meetings, you will be participating in fun activities to promote the character words and serving to promote our school wide program. You'll need to have a ride home after the meetings.

In order to be eligible for the Squires in Training Club you will need to get the form (below) signed by the three teachers on your team as well as your parent. By signing this form, your teachers are stating that you are a student who demonstrates the Six Pillars of Character and would be a good leader to represent your class and school.
