

Nordonia High School

Guide to Extra-Curricular Activities and School Information

2021-2022 School Year

WELCOME!

Dear Nordonia Students,

As I look over this guide, I pause to reflect upon my own high school experience. One of the most important thoughts to keep in mind as you plan each year of your high school career is that the more you stretch yourself, the more challenging and rewarding your high school years will be.

Recognize that your experience at Nordonia High School can consist of much more than academics. I want to encourage you to take part in our extra-curricular and co-curricular activities. Being involved with athletic teams, the band or theater will enhance you as a person. It will also provide you with opportunities to work with different personalities, diverse groups of people and to pursue the attainment of a common goal. Such experiences can be the most rewarding experiences that you may have in your lifetime.

Sincerely,

Casey G. Wright, Principal

Alma Mater

*Dear Nordonia, Hail to thee
Memories so dear will be.
Green and white will symbolize
Dreams that we realize.*

*Looking backwards singing,
While our hearts are ringing
To our dear Nordonia High,
Our Alma Mater.*
