WELCOME TO NORDONIA HIGH SCHOOL

HOME OF THE KNIGHTS

Dear Students and Parents,

The purpose of this handbook is to provide information to the students and parents of Nordonia High School. A system of rules, regulations, policies, programs and services has been established to provide a positive and productive atmosphere in school.

Both parents and students, who are bound by the regulations in this handbook, are urged to read the contents. Students are encouraged to ask teachers, counselors and administrators questions not answered in this handbook.

The Student Council, faculty and community continue to participate in the formation of this handbook, and they provide the ideas that serve to improve Nordonia High School. This handbook has been approved by the Nordonia Hills Board of Education and comprises the official regulations and procedures for the operation of our high school.

We hope our students will come to appreciate the many successes of Nordonia graduates, whose character, attitudes and pride reflect the positive climate of our school. This climate can only exist through the cooperation of students and their practice of the contents of this handbook.

NORDONIA HIGH SCHOOL

Nordonia High School is a comprehensive high school chartered by the Department of Education of the State of Ohio. Our academic program is characterized by rigorous and diversified programs of instruction reflecting the instructional excellence of our certificated staff.

The 2023-2024 student enrollment at Nordonia High School in grades 9 through 12 is approximately 1,200 students.

There is no place for racism, harassment, or discrimination in the Nordonia Hills City School District. The Board fully embraces the diversity of its workforce, community, and student body, and is committed to providing an environment which recognizes and respects the equality of all people. The Board is dedicated to meeting the educational, physical, social, and emotional needs of all students, so that they may enter the world as responsible, caring, and contributing members of society. The Board's goal is to enhance learning and remove barriers that inhibit students from reaching their highest potential, including racism. The Board will not tolerate racism, in any form, which occurs within the context of the school environment, or which disrupts the operations of the District.

Each student has a responsibility to maintain an educational environment free from harassment. Harassment or offensive conduct at school or school related functions is prohibited.

ALMA MATER

Dear Nordonia, Hail to thee,
Memories so dear will be.
Green and white will symbolize
Dreams that we realize.
Looking backwards singing,
While our hearts are ringing
To our dear Nordonia High,
Our Alma Mater.

FIGHT SONG

Nordonia Knights we're proud of
you,
Fight for victory you'll come
through.
Fair and clean and fast and daring,
Worthy of the green you're wearing.
You are champions to us all,
Fight for green and white.
Off to win another victory,
And it's FIGHT, FIGHT, FIGHT.

Regular Bell Schedule

The following schedule will be used on a daily basis throughout the school year. From time to time, this schedule may be modified to accommodate special events or circumstances such as assemblies, programs, class meetings, grade/progress report distribution, scheduling, etc. Please note that there is a passing period of five (5) minutes to move from class to class. Students may go to their lockers during the passing periods or use the bathrooms, if needed.

Warning Tone	7:15am		4b lunch	10:42-11:07am (24)
1 st period	7:20-8:06am (46)		4c lunch	11:11-11:35am (24)
2 nd period	8:10-8:56am (46)		5a lunch	11:39-12:03pm (24)
Advisory	9:00-9:21am (21)		5b lunch	12:07-12:31pm (24)
3 rd period	9:25-10:11am (46)		6 th period	12:35-1:21pm (46)
4a lunch	10:15-10:39am (24)		7 th period	1:25-2:11pm (46)

Lunch Period

All students must eat lunch in the cafeteria, whether they purchase or carry their lunch. Students may bring their lunch or they may purchase from a choice of a Class A balanced lunch, the ala carte selections or the salad bar. Prices are posted.

Students should take pride in the cafeteria area and are responsible for clearing tables of trays, milk cartons and other items before leaving the cafeteria. Failure to do so may result in a student being required to assist in cafeteria cleanup and/or other disciplinary action.

Lunchroom conduct should conform to general rules of courteous behavior. Cutting in line, throwing food, and boisterous behavior are obviously not acceptable.

Lunch periods are closed which means that students are not permitted to leave the school building or school grounds during their lunch period. Students who do so are considered truant and are subject to disciplinary action in accordance with the Student Code of Conduct. Students who drive to school carry additional responsibility. They are subject to loss of their driving privilege for violating this provision.

Student Absence

According to Ohio law and the Nordon Hills Board of Education policy, attendance shall be required of all students enrolled during the days and hours school is in session. Regular attendance and punctuality are necessary for success in school and later in life. Many interactive classroom activities take place during the school day that extends the understanding of the learned material. Students who miss school frequently often do not achieve their best potential and do not develop good work habits for careers beyond high school. Parents are encouraged to schedule their child's appointments during non-school hours. If possible, parents are asked to schedule vacations during school breaks.

Regular school attendance is an important part of student academic success. Excessive absences interfere with student progress in mastering knowledge and skills necessary to graduate from high school prepared for higher education and the workforce. To support academic success for all students, the Nordonia Hills City School District will partner with students and their families to identify and reduce barriers to regular school attendance.

Our district will utilize a continuum of strategies to reduce student absence including, but not limited to:

- **Notification of student absence to the parent or guardian at 5, 10, and 15 absences;**
- **Development and implementation of an absence intervention plan, which may include supportive services for students and families;**
- **Counseling;**
- **Parent education and parenting programs;**
- **Mediation;**
- **Intervention programs available through juvenile authorities; and**
- **Referral for truancy, if applicable.**

The district truancy plan outlined above is in accordance with Ohio House Bill 410, which passed in December 2016 and became effective starting with the 2017-2018 school year.

It is important to note that all time out of school – including time missed for coming in late and early dismissals – is included in student attendance. Parents/guardians can assist by scheduling appointments before or after school, during weekend hours, or on teacher in-service days so that students can avoid reaching the new absence limits. It is important for parents/guardians to report absences to the school office, and more specifically, to the attendance phone line, each day. Submitting doctor's notes and other documentation is also imperative.

Under state law, we are required to send you notification when your child misses without a legitimate excuse:

- 30 or more hours of school (or approximately 5 days)
- 42 or more hours of school (or approximately 10 days)
- 72 or more hours of school (or approximately 15 days)

We will provide your child with attendance intervention strategies when he/she misses:

- 42 hours (or approximately 7 days) without a legitimate excuse

An Absence Intervention Team will meet with you and your child when he/she misses, with or without a legitimate excuse:

- 42 or more hours of school (or approximately 10 days)

As provided in the Ohio Revised Code, students may be excused from school for one or more of the following reasons and will be provided the opportunity to complete missed work for credit:

Absences for the following reasons shall be considered as excused:

- A. Personal illness.
- B. Serious illness or death of a family member.
- C. Funeral.
- D. Medical and dental appointments that cannot be arranged during non-school hours.
- E. Unusual or emergency situations at home.

- F. Religious holidays and activities.
- G. Authorized school-sponsored activities.
- H. Approved college visits.
- I. Acts of God.
- J. Quarantine.
- K. Out-of-state travel, not to exceed 24 hours per school year that the student's school is open for instruction, for participation in an enrichment activity approved by the Board of Education or an extracurricular activity, defined as a student activity program operated by the District but not included in a graded course of study.
- L. At the Superintendent's discretion, a visit with a parent or legal guardian who is an active duty member of the Army, Navy, Air Force, Marine Corps, Coast Guard, or Commissioned Corps of the National Oceanic and Atmospheric Administration and Public Health Service and who has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat support posting.
- M. Family vacations, with approval from the District Superintendent/designee. An absence for any reason other than those listed above shall be classified as unexcused. All excuses from parents, as well as other documents pertaining to a student's enrollment, attendance, and withdrawal from the District, shall become a part of the official attendance record and shall be maintained regardless of format or condition.

A student shall have the opportunity to make up school work missed due to an excused absence; however, it shall be the responsibility of the student to initiate a make-up procedure and schedule with his or her teacher(s). All make-up work shall be completed within a reasonable time following the excused absence. A student shall receive full credit for school work made up pursuant to an excused absence. The principal or his or her designee may request written verification of a student's illness from a physician licensed to practice medicine in the state in the event of frequent or extended absences attributed to personal illness.

A student must be in attendance at school for half of the school day in order to participate in any school-sponsored activity that is conducted on that day; in cases of emergency the principal or his/her designee may grant an exception to this limitation.

Reporting Absences/Tardiness

It is the responsibility of the parent/guardian to report all absences from school to the Attendance Office on the day of the absence. Please contact the Attendance phone line by 8:00 AM on the day of the absence. The message should include the name of the parent/guardian reporting the student absent, the student's first and last names, the reason for the absence, i.e. personal illness, religious holiday, death in the family, etc.

Attendance phone number is: 330.908.6160 and the answering machine is on twenty-four hours a day.

The absence will be recorded as excused or unexcused based on the reason given and the student's teachers will be notified of the absence by the attendance office on the day of the absence.

If a student is not reported absent, on the day of the absence, the parent/guardian must contact the attendance office by personal call or a note reporting the absence immediately upon return to school. Phone calls and notes will not be accepted three (3) days beyond the date of the absence. An absence note must bear the signature of the parent/guardian, the date(s) of the absence, and the reason for the absence.

Students deemed as "habitual" truant will be reported to the Superintendent. The Superintendent may notify the Bureau of Motor Vehicles, which may deny the driving privileges for a student under the age of 18 for non-attendance at school.

Excessive absences and /or tardiness may result in loss of on school grounds parking privileges.

Student Tardiness and Truancy

Plan to arrive at school by 7:10 a.m. The first warning tone sounds at 7:15 a.m. Classes begin at 7:20 a.m.

Students arriving to first period class after the 7:20 a.m. tone must report to the attendance office to get an

“Admit Slip” to be admitted to class. Students arriving unexcused tardy may receive a weekday or a Saturday detention. Tardiness can be excused by parents/guardians with a written note or a phone call to the attendance line. Assigned detentions will then be canceled.

If a student misses more than half of any class period, the student may be considered absent for that period.

Pre-Arranged/Vacation Absence from School

Any excuse from future school attendance must be limited to a total of five (5) days during the school year.

Any excuse for future school absences must not endanger the student’s educational welfare and/or scholastic achievement. Parents must file a written request for all pre-arranged absences with the Attendance office, who then may grant excuses only according to Board of Education Policy. Pre-arranged absences must be arranged at least three days in advance and must be followed up by a personal phone call.

Special note: make-up work is due upon the day of return unless the individual teacher allows more time.

College Visitation and Career Experiences

Students and parents are encouraged to visit the post-secondary schools they are interested in attending.

Students are encouraged to visit colleges during the summer between their junior/senior year so that they can be ready to submit applications in the fall of their senior year. When necessary, juniors at the beginning of the second semester and prior to March 30 of their senior year will be permitted four (4) visitation days. All college visits and orientations must be pre-approved by your school counselor to be considered an excused absence from school.

Students planning a college visit or career experience day must use the following procedure:

1. Submit a completed college/career visitation request form to his/her school counselor five (5) days prior to the planned visit. Forms may be picked up in NHS Support Services..
2. Verification of the visit, on college or business letterhead, must be submitted to the attendance office upon return to school. Absences for college and career visits where the pre-arranged approval process was not followed will be recorded as unexcused.
3. College visitation after March 30 will be approved only for the purpose of completing fall registration at the college the student plans to attend

Make-Up Work For Absences/Suspension.

For any absences, it is the responsibility of the student to request their assignments immediately upon their return. The minimum number of days given for make-up work is equal to the number of days the student was absent plus one additional day. A teacher may allow more time if it is deemed necessary. Students

and teachers should make specific plans for all make-up work following absences in order to avoid misunderstandings or misinterpretation of this section.

Credit will be given for work missed due to out-of-school suspension. It is the student's responsibility to contact the teachers, while on the suspension, to request assignments. The student is to take all necessary books and materials home prior to the suspension and all completed assignments are to be handed in upon the students' return unless otherwise noted by the teacher.

Any questions or requests for make-up work may be directed to an administrative assistant in the main office (330.468.4601).

Leaving School During The Day For An Appointment / Early Dismissal

Leaving school during the day is not encouraged since any class missed counts as an absence from school.

Every effort should be made to schedule appointments during non-school hours. Students leaving school during the school day should bring to the attendance office before 7:15 a.m., a note signed by their parent/guardian indicating the type of appointment, the time of the appointment, the time requested for dismissal and the name and phone number of the person with whom they have the appointment. The student will be given an "Admit Slip" to show their teachers, so that they may leave at the designated time. Upon return to school, the student should sign in at the Attendance office.

Hold on to the "Admit Slip" because you will need to show it to the teachers of the classes you have missed. Any student who leaves the building without permission will be considered truant.

Returning To School After An Excused Absence

When a student returns to school after an excused absence they are to report directly to class. An admit slip is not required. We expect students to be in class promptly at 7:20 a.m. Any student that arrives after 7:20 a.m. may receive a Weekday Detention or a Saturday Detention.

School Related Absences

School related absences (i.e. field trips, athletics, extracurricular) are considered excused. Make-up work is due upon the day of return unless the individual teacher allows more time

Withdrawal From School

Ohio Revised Code 3321.01 requires that a child must attend school until eighteen (18) years of age or until he/she receives a diploma. A student may withdraw from school between the ages of 16 and 18 only if:

1. The student receives prior written approval from his counselor and Unit Principal.
2. The student receives an Age and Schooling Certificate issued by the Nordon High School Support Services Department. DROPOUTS - O.R.C. 3321.13(B)(1)
3. Within two (2) weeks after withdrawal from school, the Superintendent MUST notify the registrar and the Juvenile Judge of the County. All students under age 18 who dropout of school will have their driving license suspended.

Re-Enrollment:

A student withdrawing from school may not re-enroll until the following semester without the building Principal's approval. Students wishing to re-enroll must do so by making an appointment with the school counselor. Current documentation related to any change of address or custody changes must be available before any student may re-enroll. **Eighteen year old students** who had withdrawn from school during a

previous school year, or students who were previously expelled, must make an appointment with the building principal in order to establish conduct/attendance guidelines. This conference must take place before the student can re-enroll.

ACADEMICS

Academic Ethics

Nordonia High School expects its students to maintain the highest degree of academic ethics. This means putting the utmost effort into all class work and assignments and avoiding the ethical pitfalls of plagiarism and cheating.

1. Plagiarism demonstrates a lack of integrity and character that is inconsistent with the goals and values of Nordonia High School.

Excellent written expression of well-formulated ideas is a fundamental skill for academic and career success. Plagiarism interferes with the assessment and feedback process that is necessary in order to promote academic growth. Plagiarism defrauds the teacher by providing a false view of a student's strengths and weaknesses. It may prevent further instruction in areas of weakness and delay the student in reaching his or her potential.

Plagiarism includes the following:

- a. taking someone else's assignment or portion of an assignment and submitting it as your own  submitting material written by someone else or rephrasing the ideas of another without giving the author's name or source
 - b. presenting the work of tutors, parents, siblings, or friends as your own
 - c. submitting purchased papers as your own
 - d. submitting papers from the Internet written by someone else as your own
 - e. supporting plagiarism by providing your work to others, whether you believe it will be copied or not
2. Cheating demonstrates a lack of integrity and character that is inconsistent with the goals and values of Nordonia High School.

Education is based on learning specific skills, forming lifelong work habits, and developing mature coping skills according to each student's unique abilities. Stress sometimes tempts students to make unethical choices. A student's decision to cheat may be a symptom of more serious problems such as inappropriate class placement, over-commitment to extracurricular activities, and/or academic desperation. The compromise of one's values through cheating may lead to loss of self-esteem since the students may be often painfully aware of their shortcomings and fight a tiring battle to preserve their images at the cost of their ethics. True self-esteem is based on competence. Cheating robs students of their opportunity to become competent. Students are expected to produce their own work except on projects designated by the teacher as cooperative efforts. Teachers will indicate which assignments are to be cooperative efforts and will establish guidelines for the use of such aids as calculators, computers, and published study guides. If a student is in doubt about the ethical standards applicable to a particular situation, the student is responsible for clarifying the matter with the teacher.

Cheating includes the following:

- copying, faxing, emailing, or in any way duplicating assignments that are turned in, wholly or in part, as original work
- exchanging assignments with other students, either handwritten or computer-generated, whether you believe they will be copied or not
- using any form of memory aid during tests or quizzes without the express permission of the instructor

- using a computer or other means to translate an assignment from one language into another language and submitting it as original work
- giving or receiving answers during tests or quizzes. It is your responsibility to secure your papers, so other students will have neither the opportunity to copy from you nor the temptation to do so.
- taking credit for group work when you have not contributed an equal or appropriate share toward the final result
- accessing a test or quiz for the purpose of determining the questions in advance of its administration
- using summaries/commentaries (Cliffs Notes, Spark Notes, etc.) in lieu of reading the assigned materials

3. Alternatives to cheating and plagiarism:

No student needs to cheat or plagiarize. Nordonia High School provides numerous support services for students to help them achieve success honorably. Students who advocate for themselves and seek appropriate help when they need it will not need to cheat or to plagiarize.

The following behaviors promote true student achievement:

- Be prepared. Try to keep to a realistic schedule balancing academic obligations and your social and personal life.
- Make certain that you understand your assignments and the grading assessment that will be used. If you have questions about an assignment or an assessment, talk to your teacher. Do not rely solely upon a classmate for clarification.
- If you study for a test with a classmate, make sure that you do not sit near each other during the test since your responses (and errors) may be similar.
- Do not read or scan someone else's paper before writing your own. Some of the ideas in the other person's paper may be ideas that you would have used, but you will now need to credit the person whose paper you read for those ideas.
- Use all avenues of support available to you. For help needed beyond the classroom, see your teacher, other teachers in the department, a peer tutor, or a parent or other adult who is well versed in the subject.
- Assignments should be considered individual unless the teacher states otherwise.
- Be organized. Keeping class notes in an orderly, easily accessible format will save time and anxiety when studying for a test or writing a paper.
- Keep current with assignments. If you need to read an entire novel the evening before a test or before a paper is due on that novel, your performance on either will suffer.
- If, for whatever reason, you choose to use another's ideas or solutions, cite that person as a source on your paper or project.
- Know what constitutes cheating, including all the variations of plagiarism.

4. The role of parental support in their children's achievement and ethical development:

Parental support of academic achievement and ethical development is fundamental to students' long-term success.

The following behaviors will assist parents in promoting true student achievement:

- Teachers are available for extra help as scheduled, and resource centers are open all day for individual assistance. In addition, peer tutors are available when extra help is needed. Encourage their use.
- Assess your child's abilities realistically. Help her/him to choose courses in which she/he will be successful and challenged without undue stress.
- Don't push children beyond their limits with your expectations or aspirations. Many times students make bad decisions because the pressure to excel is greater than their ability to meet the expectations.

- If you suspect your child is experiencing difficulty in a class, please contact the teacher. The sooner the problem is identified, the sooner steps can be taken to alleviate it

If your child is caught cheating and you are called, please remember that this is a learning experience; help your child to accept the consequences for his/her inappropriate actions.

Principal's Awards are presented to students in each grade level who have maintained a 3.75 or better grade point average each of the first three grading periods yearly and are enrolled in courses that are worth at least five Carnegie Units of credit.

- President's Award For Educational Excellence

This award recognizes academic success in the classroom. To be eligible, students must meet requirements, including grade point average or, school-set criteria and choice of state tests or teacher recommendations. Students at each award level (elementary, middle, or high school) must meet the requirements in Category A and either 1 or 2 of Category C. If a school does not have letter grades, a student must meet the requirements in Category B and either 1 or 2 of Category C.

1. **Grade Point Average:** Students are to earn a grade point average of 90 on a 100 point scale, (an A on a letter scale or a 3.5 on a 4.0 scale). When computing grade point averages at the respective award level, only the years at that level are to be included through the fall semester of the exiting grade. Note: Elementary schools are not to include K-3 in their computations.
2. **School Criteria/Standards:** Standards for the award are to be established by each school that reflect a 90 percent level or higher on the traditional grading scale. This category enables school personnel to use new assessment and evaluation tools in developing award criteria at their school and apply the criteria fairly to all students. The primary indicators of excellence must be based on academic achievement. School personnel may also consider, as part of the criteria, activities in which a student demonstrates high motivation, initiative, integrity, intellectual depth, leadership qualities and/or exceptional judgment. They may also require student essays and outstanding attendance, but these activities must bear some relationship to the academic performance of a student.
3. **In addition to A or B,** schools are to include one or more of the following criteria to determine their selected students:
 1. State Tests and Nationally-Normed Achievement Tests: High achievement in reading or math on state tests or nationally-normed tests. The school may consider college admissions examinations for seniors, for example the SAT or ACT.
 2. — OR —

Recommendations from a Teacher Plus One Other Staff Member: One recommendation is to reflect outstanding achievement such as English, mathematics, science, history, geography, art, foreign language, and any other courses that reflect a school's core curriculum. This judgment is to be supported by tangible evidence that is comprised of either results on teacher-made tests, portfolio assessment, or special projects. The second recommendation from a school staff member may address, for example: involvement in community service or co-curricular activities including tutoring other students and/or demonstration of creativity and achievement in the visual and performing arts.

- Graduate Of Distinction

A student who has attained a 3.75 cumulative grade point average or better for eight (8) semesters will be recognized at commencement as a Graduate of Distinction.

- Graduate Of Merit

A student who has attained a 3.35-3.74 cumulative grade point for eight (8) semesters will be recognized at commencement as a Graduate of Merit.

- Superintendent's Award

Superintendent's Awards are presented to the top 10% of the senior class relative to their grade point average after seven semesters of high school.

Honor and Merit Roll

Superior academic achievement each quarter, will be recognized in the following manner:

3.80 and above-High Honor Roll

3.60-3.79-Honor Roll

3.00-3.59-Merit Roll

National Honor Society

Membership in National Honor Society is limited to juniors and seniors who have attended Nordonia High School for a minimum of one semester and who have an accumulative grade point average of at least 3.70. Eligible students apply for membership. Selection to the National Honor Society is based on scholarship, service, character, and leadership. Final selection is made by a faculty committee after reviewing applications and recommendations anonymously. A formal induction ceremony is held in the fall each school year. Inducted members participate in multiple service projects while maintaining academic excellence.

College Credit Plus Courses: Students participating in College Credit Plus (CCP) will earn transcript credit for college and high school concurrently. Courses taken through CCP will be given the same weight as the highest advanced course in the same subject area as the high school course.

Minimum/Maximum Course Load:

A full-time student must carry a minimum course load equivalent to six (6) credit bearing courses each semester. ALL non credit offerings do not fulfill this requirement. A student may have no more than one study hall per semester. The maximum course load a student can take during the school day is seven (7) courses. Any deviation must have the approval of the building Principal. All classes are open to all students regardless of gender.

Schedule Changes/Dropping Classes:

During the time between course registration (February) and the start of the school year (late August) students and parents may elect to change a student's schedule for the next school year.

After the start of the school year, course changes will be made if:

1. There is a scheduling conflict that cannot be resolved.
2. Changes necessitated by failures.
3. Satisfactory completion of a course in summer school.
4. A technical error was made in the process of scheduling the student's request.

Schedule Changing After The School Year Has Begun Is Not Permitted

Since a student's schedule is the result of careful planning by the student, school counselor, teachers, and parents, and critical staffing decisions are based on student course selection, courses dropped after the start of school will result in a "WF" (Withdrawal Fail). If extraordinary circumstances exist, a student may petition to drop a class without academic penalty by applying through their Associate Principal. An "Extraordinary Circumstance Class Withdrawal" form must be completed. It is the responsibility of the student to secure the form, arrange to have the appropriate sections filled out by the appropriate people, and return to their Associate Principal. Written statements by the student, the student's parent, the student's School Counselor, the affected teacher, and the student's Associate Principal are included on the form. The petition will be presented to the Department Chairs for consideration.

Credit Flexibility

Credit Flexibility is any alternative coursework, assessment or performance that demonstrates proficiency needed to be awarded equivalent graduation credit as approved by the school district. Approved credit awarded through this policy will be posted on the student's transcript and counted as required graduation credit in the related subject area or as an elective. The State of Ohio's plan for credit flexibility is designed to broaden the scope of curricular options available to students, increase the depth of study possible for a particular subject and allow tailoring of learning time and/or conditions. More detailed information and the application can be found on the High School website.

Advanced Placement Testing

All students enrolled in Advanced Placement courses are required to take the national exams given at Nordon High School in May. College credit may be granted upon successful completion of these exams. The college which the student attends awards credit. Check with your individual college on their credit granting policies. Costs for each test given are approximately \$97.00 - \$145.00 per test. If your student is participating in the AP Capstone Diploma program in 2023-2024, the fee for the AP Seminar and AP Research Exams is \$145.00 each. Additional fees may be accrued due to late testing orders and test cancellation. You will receive a letter about these tests with the semester report card and be asked to send payment for the tests at that time. Fees are subject to change.

College Credit Plus:

College Credit Plus replaces Ohio's Post-Secondary Enrollment Options Program and all alternative dual enrollment programs previously governed by Ohio Revised Code Chapter 3365. The program permits college-ready students, grades 7-12, who qualify for college admission and receive state funding to participate. The bill establishes guidelines and procedures for enrolling 7-12 grade students in the program. The postsecondary institutions to which this option program applies are state-assisted colleges or universities. The legislation requires school districts to inform students and their parents of this program on an annual basis. Interested students and their parents must attend a mandatory presentation every school year in February and inform the NHS Support Services Department by late March of their intent to participate in the College Credit Plus program. Detailed information is available in the NHS Support Services Office.

A student is placed on **CCP Probation** when the student: Has earned lower than a cumulative 2.0 GPA in college courses, or withdraws from two or more courses in the same term. When on CCP Probation, the student: May enroll in no more than one college course. May not enroll in the college course in the same subject area in which a student previously earned D or F. Students remain on probation until the student has improved cumulative college GPA to 2.0 or higher.

A student is placed on **CCP Dismissal** when the student has met the definition of CCP Probation for two consecutive college terms. Once a student is dismissed from the CCP program, the student may not enroll in college courses for the following college term. After one college term on dismissal, the student may request a secondary school and the secondary shall determine whether the student may continue on dismissal, move to probation, or participate without restrictions per the school's adopted policy. A student who has been dismissed from the CCP program has the right to appeal to status. Students/parents, secondary schools, and colleges/universities must review the entire rule for details related to course restrictions and dis-enrollments, policy development, counseling sessions, advising. Actions required by a secondary school must be taken by the parent of the homeschooled student. See rule for details on compliance, funding, and payment responsibilities. This rule does not alter, supersede, or affect any

college/university policy/procedure on academic probation or dismissal. The Rules take effect summer term of 2018-2019 academic year. Rules will be reviewed on bi-annual basis.

Final/Semester Exams

Generally all students are required to take and complete semester and final exams in all subjects. A committee will recommend any changes to this policy prior to the first semester exams. The dates for semester and final exams are published at the beginning of the school year (see SCHOOL CALENDAR), and are strictly followed. As a general rule, students are not permitted to take exams early. Students will not be able to make up final exams missed during a vacation unless prior arrangements have been made with the building principal and classroom instructor. Students who arrive late to an exam period may not be admitted to the testing area. Students late to, or missing, any exam will be required to meet with their appropriate Associate Principal, or Dean of Student, to pursue the opportunity to make-up the affected exam. If the student is permitted to make-up the exam, the affected teacher will be notified that they may arrange make-up time accordingly. Students not permitted to make-up the exam will receive a “zero” on that exam.

Unless the student is already exempt from a semester or final exam, the teacher has the discretion of issuing an “Incomplete”, if a semester or final exam is not completed.

Grading Procedures

Grades represent one method of communication to parents and students regarding how a student is doing in his courses. We encourage our students to be well prepared for class and to work hard to achieve their academic potential in their courses so that they can earn good grades.

Nine-week grades: Nine week letter grades are determined on a percentage scale. Grades are assigned based on the total number of available points to be earned in a course for a given grading period, according to the following grading scale:

A+ 97% and above	C 73-76%
A 93-96%	C- 70-72%
A- 90-92%	D+ 67-69%
B+ 87-89%	D 63-66%
B 83-86%	D- 60-62%
B- 80-82%	F 0-59%
C+ 77-79%	

Semester Grade Determination:

The Semester average will be determined by multiplying the nine (9) week averages by two (2) and adding the semester test grade. This figure will then be divided by five (5) to determine the semester average.

Here is an example of how this works:

Semester Course (Ex. Interior Design)

1st 9 Weeks	78% (C+)	x 2	=15 6
2nd 9 Weeks	88% (B+)	x 2	=17 6

Final Exam	71% (C-)	x 1	=	7 1
		TOTAL	=	4 0 3

*Semester Grade: $\frac{403}{5} = 80.6 = 81\% = B$

Final grade yearlong courses:

The final grade in a year-long course will be determined by multiplying each nine (9) week percentage grade by two (2), adding the two semester exam totals, and dividing by ten (10) to determine the year average.

1st 9 Weeks	78% (C+)	x 2	=1	5 6
2nd 9 Weeks	88% (B+)	x 2	=1	7 6
Final Exam	71% (C-)	x 1	=	7 1
3rd 9 Weeks	73% (C-)	x 2	=1	4 6
4th 9 Weeks	92% (A-)	x 2	=1	8 4
Final Exam	83% (B-)	x 1	=	8 3
		TOTAL	=8	1 6

*Final Grade: $\frac{816}{10} = 81.6 = 82\% = B$

For ease of calculations and consistency, the following rounding rules will apply throughout the grading periods:
 -any average .5 or above will be rounded up to the nearest whole number.
 -any average .4 or below will be rounded down to the nearest whole number.

Remember that the final grade in any such course is an evaluation of the student's achievement and progress from the first class session through the final exam. At no point can a student assume he has earned enough credit for a passing grade.

Grade Reporting/ Report Cards:

Report cards are issued approximately one week after the close of each grading period. The number appearing under the section labeled ABSENT and TARDY reflects the total number of full days the student has missed school and has been tardy, or arrived late, to school during the reported grading period. Individual class absences for each course a student is taking appears next to the letter grade issued for

each course. This number includes all absences, excused or unexcused, and therefore might not be the same for each class because of appointments which might not result in a full day of absence. School-related absences are not included in a student's absence totals.

Interim/Progress Reports:

Parents may request periodic progress reports in addition to regularly scheduled interim progress reports.

Because of the sheer volume of students, the maximum number of formal progress reports provided will be four per semester. To initiate this request, please contact your student's school counselor at 330.468.4603. The counselor will contact your student's teachers so that arrangements can be made between the teachers and parent to exchange information about the student's progress in the class. Teachers will provide feedback when requested.

Grade Point Average Calculation:

Two types of Grade Point Averages will be discussed below: the NINE (9) WEEK grade point average (G.P.A.) reported on the student's report cards and the FINAL YEAR grade point average reported on both the student's report card as well as the student's school transcript.

Nine Week Grade Point Average:

The nine-week grade point average recognizes the effort a student has put forth in his courses on a day-to-day basis during a nine-week period of time, regardless of the credit value of his individual courses. That is to say, in any given nine week grading period, on a day-to-day basis, it is understood that a student must put forth the same degree of academic effort in a 1.00 credit American History course as in a .500 credit Psychology course to earn a satisfactory grade.

With this philosophy in mind, the following rules are observed when calculating the NINE WEEK grade point average:

1. All semester courses worth .500 credit and year courses worth 1.000 credit will be given a 1.000 credit value.
2. All semester courses worth .250 credit will be given a .500 credit value.
3. All special courses receive their true credit value:
i.e., Vocational courses, CBE, OWA, OWE WORK (3.00 credits).
4. Pass/Fail courses are not included in the grade-point average calculation: i.e., Assistantships, Student Council, etc.

Calculation Procedure: To determine the nine-week grade point average, each letter grade in a course is converted to a quality point based on the four point system (A=4, B=3, C=2, D=1, F=0) and multiplied by the nine-week credit value of the course. The sum of the total quality points is then divided by the sum of the total nine-week credit value of all courses attempted. Note: Passing grades in Advanced Placement courses are weighted on the five point system (A=5, B=4, C=3, D=2, F=0). Students who are in A.P. courses are required to take the appropriate advanced placement test.

Note* Nine week grades for CCP courses differ from the example below. Contact your school counselor for information on GPA calculations for CCP courses.

Example:

Subject	True Cr edi t	Course Le ngt h	Grade/Quality Points	X	9wk Cr edi t	Quality Poi nts

	Value				Value	
AP English	1.000	Year	B+ (4)	X	1.000	4.000
American History	1.000	Year	C- (2)	X	1.000	2.000
Psychology	.500	Sem	B (3)	X	1.000	3.000
Physical Education	.250	Sem	A (4)	X	.500	2.000
Chemistry Assistant	.500	Year	P (NA)	NA	NA	NA
AP Calculus	1.000	Year	A (5)	X	1.000	5.000
Foods With Flair	.500	Sem	A+ (4)	X	1.000	4.000
				Total	5.500	20.000

$$\text{Nine Week Grade Point Average} = \frac{\text{Total Quality Points}}{\text{Total Credit Value}} = \frac{20}{5.5} = 3.636$$

Final Year Grade Point Average:

To determine the final year grade point average, each final grade in a course is converted to a quality point based on the four point system (the five point system is applied to all advanced placement courses) and multiplied by the true credit value of the course. The sum of the total quality points is then divided by the sum of the total true credit value of all courses attempted. (Note: pass/fail courses and audit courses are not included in the calculation of the final grade point average.)

Example:

Subject	Course Length	True Credit Value	X	Grade/Quality Points	Quality Points
AP English	Year	1.000	X	B+ (4)	4.000
American History	Year	1.000	X	C- (2)	2.000
Psychology	Sem	.500	X	B (3)	1.500
Physical Education	Sem	.250	X	A (4)	1.000
Chemistry Assistant	Year	NA	NA	P (NA)	NA
AP Calculus	Year	1.000	X	A (5)	5.000
Foods With Flair	Sem	.500	X	A+ (4)	2.000
	Total credits	4.250		Total Quality Points	15.500

$$\text{Final Year Grade Point Average (GPA)} = \frac{\text{Total Quality Points}}{\text{Total True Credit Value Attempted}} = \frac{15.5}{4.250} = 3.647$$

****Cumulative Grade Point Average And Class Rank:**

The Cumulative Grade Point Average and corresponding Class Rank is based on all courses studied in grades 9-12 in which letter grades are issued. Courses where a PASS/FAIL grade or AUDIT is issued are not included in the calculation procedure. Class rank is issued once a year at the conclusion of the school year and reflects a student's cumulative grade point average. The highest cumulative grade-point average in any given class will be considered the number one ranked student in the class. The procedure for calculating the Cumulative Grade Point Average is as follows:

1. The total credits attempted each year are added to the credits attempted in previous years.
2. The total quality points earned each year are added to the total quality points earned in previous years.
3. The total quality points are divided by the total credits attempted yielding the Cumulative Grade Point Average and corresponding Class Rank.

Final Class Rank is derived from the final cumulative grade-point average computed at the completion of eight (8) semesters. The final cumulative grade-point average is computed by dividing the total quality points earned for eight (8) semesters by the total credits attempted for eight (8) semesters.

*Beginning with the class of 2026, class rank will no longer be issued or reported on transcripts.

Grade Promotion Requirements:

3.75 credits needed for promotion to grade 10

8.5 credits needed for promotion to grade 11

12 credits needed for promotion to grade 12

Transcripts and Records:

A Transcript Request must be completed by a parent or student (if over 18). Alumni of NHS may request a transcript by completing the online transcript request form located on the NHS Support Services page. Official transcripts will not be sent to students or parents, but only to institutions or organizations designated by the student. To review cumulative records, a parent or student (if over 18) must request the review in writing. The school has 45 days in which to reply to the request.

Transferring to Another School:

At least one week prior to withdrawing a student from Nordon High School to attend another school, the parent/guardian should make an appointment with the Support Services staff to complete the necessary withdrawal forms to insure a smooth transfer of student records. At this time, school fees will be collected and district technology will be returned.

Homework Request:

Parents should call the main office (330.468.4601) to request homework for students absent because of illness lasting more than two (2) days. Homework may be picked up the day following the request. The minimum number of days given for make-up work is equal to the number of days the student was absent plus one additional day. Students having had any non-illness related absence(s) which could have been

anticipated, such as field trips, college visits, extra-curricular or co-curricular competitions etc., must have all assignments, projects, tests or quizzes ready to be handed in and/or completed on the day they return to school. For longer periods of absence, teachers will meet with the student's School Counselor, and they will jointly determine how much additional time for completion will be granted. Teachers must be given a full 24 hour notice for all homework requests.

Summer School:

Summer school is designed for remedial purposes. Any deviation from this must be submitted to the School Counselor via the Credit Flex application process before a student enrolls in summer courses.

Home Instruction:

Home Instruction is provided for students at all levels of academic performance who are handicapped for a period of time. These handicaps may include, but are not limited to, illness, injury, post-surgery recovery and/or complications with pregnancy. Parents should contact the student's School Counselor as soon as possible if their student has an illness that could become lengthy. Home Instruction will be provided at a rate of one hour for every day out of school. If your child were out for 30 days and unable to receive instruction for 10 of those days, 30 hours of instruction would be provided in the remaining 20 days. Home Instruction is terminated as soon as the student returns to school.

Textbooks

Textbooks, library books and certain other materials are issued to students free of charge and must be returned in good condition. Fines are charged for damage considered to be excessive or beyond normal wear. Students are responsible for all Board-owned materials issued to them and will be charged for lost or stolen items at replacement cost. Be sure your locker is secure; if your lock does not work properly, report it to your unit principal immediately and ask that it be repaired.

Early Graduation:

There are many advantages and opportunities for students to expand their academic and social development by completing four full years of high school. There are, however, circumstances where early graduation is desired to better enable a student to accomplish the necessary college educational requirements for their career goal. To this end, Early Graduation will be considered for approval, but it is not intended for the student who simply wants to graduate early. In order to request an early graduation, a completed application must be submitted by the predetermined deadlines. Please contact your school counselor to obtain the Early Graduation Application and Graduation Plan. It is the responsibility of the student applying for an early graduation to ensure they have completed all of the requirements for the application process.

- a. Application for an early May graduation must be received a year in advance, which is by May 1st of the previous calendar year (sophomore year).
- b. Applications for an early January graduation must be received a year in advance, which is by January 1st of the previous calendar year (junior year).
- c. Special considerations MAY be made beyond these deadlines, but limitations will occur regarding the graduation activities due to deadlines for seniors with graduation planning. Please discuss these limitations with your administrator and school counselor.
- d. Failure to complete all requirements for graduation by the graduation date requested immediately revokes application approval.

During the final six weeks of school, any senior who is suspended for damaging school property or contributes to, or displays, disruptive behavior, such as but not limited to, pulling fire alarms, making bomb threats, setting off smoke/stink bombs, food fights, assault and battery, etc. or any other disruptive behavior will forfeit his/her privilege of participation in the high school commencement ceremony.

Cuyahoga Valley Career Center Student Guidelines

Career Center students should understand that the Career Center is an extension of Nordon High School.

Although many rules, regulations and policies are common to both schools, some are unique to one school or the other. It is your responsibility to familiarize yourself with the rules and policies of each school. The

following guidelines will help to answer some of the questions most frequently asked by Career Center students.

1. Students are generally not permitted to drive to the Career Center. If your vocational instructor sees the need for you to drive, he will issue you a driving permit.
2. If you miss the bus to the Career Center, see your Associate Principal's Secretary. You will be permitted to drive to the Career Center due to missing the bus one time only per semester. Any other "missed bus" situations will require your parents to pick you up and transport you to the Career Center.
3. If you have permission to drive, you are not allowed to take passengers unless your pass specifically states that you may.
4. Driving to the Career Center without permission and/or being an authorized passenger in a vehicle driven to the Career Center will result in disciplinary action at both schools.
5. Morning Career Center students will arrive back at NHS at approximately 11:30 a.m. and should enter the building immediately upon arrival. No one should go to the parking area or anywhere else without permission in writing. Failure to enter the building immediately upon arrival may be considered grounds for suspension from school.
6. Students who have been authorized to drive to and from the Career Center may be considered tardy to class if they arrive after the end of the passing period. Students may be considered absent from class if they miss more than half of the period.
7. Both morning and afternoon Career Center students must follow the Sign-out Procedure if any NHS time is missed due to appointments. Admission slips may be required for readmission to any class after an absence of any kind. These should be picked up in the Associate Principal's Office.
8. If you leave for an appointment from the Career Center, be sure to follow their Sign-out Procedure.
9. Students serving Out-of-school Suspensions are suspended from **BOTH** schools. Students assigned to In School Suspension at the Career Center will generally be permitted to attend Nordonia.

All CVCC students, when riding to or from the Career Center, are subject to the same bus regulations as all students. Violations of these bus regulations may result in denial of transportation to the Career Center and/or additional disciplinary action including denial of driving privileges. Students will then be required to provide their own transportation to the Career Center, but will not be permitted to drive themselves.

Nordonia High School Counseling Program

The School Counseling Program at Nordonia High strives to provide a comprehensive counseling program aligned with the American School Counseling Association's National Model (ASCA). The school counselors at Nordonia High School address the academic and developmental needs of all students, not just those in need, by collaborating with students, parents, school staff and the community. Through the school counseling program our counselors design, implement, and maintain school counseling programs

aligned with the educational mission and philosophies of the Nordonia Hills School District. These programs are aimed at helping students develop competencies in academic achievement, personal and social development, and career planning. The counseling program curriculum is delivered through various methods including individual counseling, small group counseling, large group programming, and classroom settings. School counselors help students create an academic plan for their education and to prepare for successful careers after graduation. Through exposure to the comprehensive counseling curriculum, School Counselors help students develop the necessary skills, such as organizational, time-management, and study skills. They also help students overcome obstacles that may form barriers to learning by helping students respond to issues which commonly occur during the developmental stages of adolescence. School counselors collaborate with administrators and other educators to ensure that the school counseling program helps fulfill the mission of the school by setting annual goals and putting mechanisms in place to facilitate the successful and effective delivery of the school counseling program. School counselors hold their program accountable for student achievement by monitoring student progress to ensure that the school counseling program meets its desired goals and objectives. School counselors collect, analyze, and present statistics about grades, test scores, attendance and disciplinary records, and other information to make data-based and data-driven decisions about the school counseling program. School counselors are an integral part of the whole school community working to help children, teachers and other school personnel and parents. (Information Adapted from Who Are School Counselors? ACA, ASCA, and NEA 2008)

Alcohol, Tobacco, Other Drug Prevention Program

This program is coordinated for grades kindergarten through 12th grade. Comments, concerns or questions about alcohol/tobacco/vape or other drug abuse should be directed to the Alcohol, Tobacco and Other Drug Prevention Office which is located in the NHS Support Services Office at **1.330.908.6020**.

Work Permits (age and schooling certificates):

State law requires that students under 18 must have a work permit for most jobs while school is in session. A work permit is not required for students over 16 years of age during summer vacation months. Students may obtain the proper forms from the Support Services Office Secretary.

College Representatives:

Upperclassmen will be notified of the schedule of college/ technical school and military representatives visiting NHS Support Services during the school year and may schedule time to visit with representatives through the school counselor. All students scheduled to meet with a representative must seek the permission of all teachers of classes to be missed. Students will not be permitted to attend an information session without teacher(s) permission and signatures.

Note: internet access is available in all buildings to all students, staff and community members. However, per district policy, all users must sign the “acceptable use policy” and adhere to its requirements. These signed policies must be on file in the main office in each building. A list of names of students, staff or community members who are being denied access for any reason will also be available in the main office.

As Nordonia High School continues to move toward a technology-advanced environment, students should understand that the use of the school's computers and related technology is a privilege. It is assumed that our students will use the computers for productive work and agree to use them with trust, courtesy, and respect.

- 1) Trust means that students will carry out school tasks directly and honestly. It means that students know that they may not copy the software from the machines; copy, destroy, or damage another student's files or messages; or attempt unauthorized access to files or networks in or out of the building. It means that students will not transmit or produce threatening or offensive messages on the computer or network.
- 2) Courtesy means that students will keep the workstation and the school's equipment in good condition for use by other students. It means that students will print documents only after careful review of the work on the screen and that students will not waste paper or printing time on careless or unnecessary items. It means if other students are waiting for access to computers, students will complete work as quickly as possible.
- 3) Respect means that students will obey the direction of teachers; that students will use the equipment for educational work unless given specific permission from a teacher; students will ask for help if unable to do an operation on the computer or if there is a problem with the equipment. Students will not eat or drink at any work station. It means that students will respect copyright law by not doing any unauthorized copying. It means that students will follow any sign-up and usage rules for the area in which they are working.

Failure to comply with these principles will result in the student losing the privilege of using the school's computers and/or be subject to penalties consistent with the other sections of the student handbook.

Communication Devices And Personal Electronic Equipment

For purposes of this policy, electronic communication devices ("ECDs") means any device that is powered by batteries or electricity and that is capable of receiving or transmitting communications from or to another ECD or person. A student has no expectation of privacy in the use of an ECD on District property.

Students are prohibited from using ECDs during instructional time, whether occurring on or off of Board property, unless otherwise authorized by the student's teacher or an administrator. Use of ECDs during instructional time shall be limited to educational/instructional purposes only.

Students are permitted to use ECDs outside of instructional time, such as before school, after school, during lunch break, during after-school activities if permitted by the supervisor, and between classes. A student's use of ECDs may be restricted during any of the aforementioned times if requested by a teacher or administrator. Use of ECDs must comply with state and federal law, Board Policy, and the Student Code of Conduct.

Students are permitted to use ECDs on their school buses or other District-supplied transportation, unless prohibited by the driver, or the teacher, coach, advisor, or other supervisor of the students receiving transportation.

No student shall use an ECD to record images, video or audio of another student or staff member without the express permission of the person being recorded. ECDs shall not be used to record images, video, or audio at any time or place on District property where a reasonable expectation of privacy exists, such as in locker rooms, bathrooms, shower facilities, or any other place where persons may be found in a state of undress.

Students are prohibited from using ECDs to facilitate academic dishonesty by way of recording and/or transmitting test materials or information.

Violations of this policy will result in the ECD being confiscated. A confiscated ECD will only be returned to the student's parent or guardian at the end of the school day. A student who violates this policy may also be subject to discipline, including suspension and/or expulsion, and/or may have the privilege of using an ECD suspended or revoked.

If, in the judgment of the student's building administrator, a violation of this policy potentially constitutes an illegal act, the ECD may be provided to law enforcement. As with any other item of personal property, students are solely responsible for the safety and security of their own ECDs.

IMC (Instructional Media Center)

The mission of today's library media program is to ensure that all members of the school community are effective users of ideas and information in all formats by providing resources and instruction fundamental to success in today's information and knowledge-based society.

Our school library links to the wider information network supporting the use of books and digital information sources, addressing academic content standards, complementing and enriching textbooks, and classroom instruction.

The library media program equips students with information literacy skills, fosters the imagination, promotes literacy through utilization of our popular fiction collection, helps support research and curriculum through local and state-purchased digital resources, and prepares students to become critical thinkers and live as responsible citizens.

1. Hours: Monday through Friday 7:00 a.m. – 2:45 p.m.

Dress Code

The Board of Education recognizes that each student's mode of dress and grooming is a manifestation of personal style and individual preference. The Board will not interfere with the right of students and their parents to make decisions regarding their appearance, except when their choices interfere with the educational program of the schools. Accordingly, the Superintendent shall establish such grooming guidelines as are necessary to promote discipline, maintain order, secure the safety of students, and provide a healthy environment conducive to academic purposes. Such guidelines shall prohibit student dress or grooming practices which:

- a. present a hazard to the health or safety of the student himself/herself or to others in the school;
- b. materially interfere with school work, create disorder, or disrupt the educational program;
- c. cause excessive wear or damage to school property;

- a. designate the principal as the arbiter of student dress and grooming in his/her building;

- b. may invite the participation of staff, parents, and students in the preparation of a dress code which may specify prescribed dress and grooming practices, but may not amplify the rationale for prohibition established by Board policy;
- c. instruct staff members to demonstrate by example and precept wholesome attitudes toward neatness, cleanliness, propriety, modesty, and good sense in attire and appearance;
- d. ensure that all rules implementing this policy impose only minimum and necessary restrictions on the exercise of the student's taste and individuality. Students who violate the foregoing rules will not be admitted to class and may be suspended from school. LEGAL REFS: O.R.C. §§3313.20, 3313.60, 3313.661, 3313.665.

Transportation

Driving and Parking Regulations

The Nardonia Hills Board of Education provides transportation for all pupils as required by the laws of the State of Ohio. Thus, driving to school is a privilege for which the student must accept responsibility. Please note that all fees for the prior school year must be paid in full to purchase a parking permit.

When a student from the high school is stopped by the Macedonia police for a traffic violation, going to or coming home from school, when feasible, a written warning may be issued in lieu of a citation. These written warnings will be forwarded to the chief so they can be given to the high school administration, so the student's parking pass may be pulled. This does not include traffic crashes where a citation, if warranted, will be issued.

Parking Regulations:

- 1) Students desiring to drive to school must register their vehicles (cars, motorcycles, trucks, etc.) in the student unit office and obtain an NHS parking permit. State of Ohio vehicle registration and driver's license must be presented when picking up the permit. The cost for registration is **\$30.00**. Parking permit applications are now available ONLY on-line. You can find the link on the high school website. Fill it out completely, making sure to have parental approval. Once the form is completed (submitted), go to the high school Main Office to pay the fee and to receive the parking sticker. If you have any questions, please call 330-468-4601.
- 2) All students parking on school property should have minimum insurance coverage since the school, by state law, is not liable for and will not assume responsibility for theft or damage to vehicles.
- 3) Parking permits must be displayed on the driver's side lower corner of the front windshield. Students are responsible for the security of their permit. Replacement permits will not be issued.
- 4) Parking permits are not transferable between individuals. The permit may be used only by the student purchasing the permit and in the vehicle(s) listed on that student's parking application.
- 5) Vehicles must be parked in designated student lots only. The area directly in front of the building and the strip at the south end of the building are faculty parking lots and are off limits to students. The lot across South Bedford Road is not to be used during school hours.
- 6) Students who violate traffic laws, recklessly operate and/or speed on school property, on their way to school or on their way from school may receive a consequence.

- i. Students who drive to school while their driving/parking privilege is under suspension may face suspension from school and the towing of their vehicle at the owner's expense.
- 7) Vehicles must be locked at all times. Students are not permitted to be in the parking lot, and are not permitted to sit in vehicles, before, during, or after school. Violation of these rules will result in the loss of driving/parking privileges for a period of time to be determined by the administration.
- 8) Parking permits may be revoked for up to thirty (30) school days for students who:
 - i. Attain four unexcused late arrivals to school
 - ii. Are unexcused absence more than seven (7) days in any given semester
 - iii. Are suspended for any reason a second time out of school
- 9) School buses must always be given the right-of-way.
- 10) Student vehicles are subject to search if there is a reasonable suspicion that drugs, alcohol, stolen property, or other contraband might be present in the vehicle.
- 11) Any accident involving vehicles on school property must be reported to the school office. Police reports will be filed for all accidents. Failure to report any accident may result in the permanent loss of a student's driving/parking privilege.
- 12) Failure to comply with instructions, directions or reasonable requests of school security employees, or other school personnel, is considered insubordination and may result in loss of driving/parking privileges and/or suspension.
- 13) The Board of Education does not assume liability for loss arising from damage or theft from vehicles parked on Board of Education property.

Hazing Policy:

Board of Education Policy Manual 6.22

Hazing activities are prohibited. No administrator, faculty member, or other employee shall encourage, permit, condone, or tolerate hazing. No student shall plan, encourage, or engage in any hazing.

Hazing is defined as doing any act or coercing another, including the victim, to do any act of initiation into any student, or other, organization that causes, or creates a substantial risk of causing, mental or physical harm to any person. Permission, consent, or assumption of risk by an individual subjected to hazing does not lessen the prohibition contained in this policy.

All District employees are required to be alert to possible situations, circumstances or events which might include hazing. If an employee discovers that hazing has, will or might occur, the students involved shall be informed that hazing is prohibited and shall be directed not to engage in hazing. All hazing incidents shall be reported immediately to the Superintendent.

This policy shall be distributed to all students and District employees.

LEGAL REFS: O.R.C. §§2307.44; 2903.31 Adopted: November 23, 2015

Harassment, Intimidation, And Bullying

Harassment, intimidation, and bullying of students in the school environment can substantially interfere with their ability to learn, perform, and feel safe. Therefore, any conduct, communication, activity, or practice that occurs at any time on school property, on a school bus, or during any school sponsored event, and at the times and/or places set forth in the Code of Student Conduct, that constitutes harassment, intimidation, or bullying involving students shall be strictly prohibited. Students who are determined to have engaged in such behavior are subject to disciplinary action, which may include suspension or expulsion from school. Further, any such conduct, communication, activity, or practice should be immediately reported to the building principal or other responsible school employee. All reports of harassment not covered by this policy shall be investigated in accordance with the policies applicable to the particular harassment.

To implement this policy and to address the existence of harassment, intimidation, or bullying in the schools, the following procedures shall be followed:

- a. Students must report acts of harassment, intimidation, or bullying to teachers, District employees, and/or school administrators;
 - b. The parents or guardians of students should file written reports of suspected harassment, intimidation, or bullying with the building principal or other appropriate administrator;
 - c. Teachers and other school staff who witness acts of harassment, intimidation, or bullying or receive student reports of harassment, intimidation, or bullying shall notify school administrators;
 - d. School administrators shall investigate and document any written or oral reports;
 - e. School administrators shall notify the custodial parent or guardian of a student who commits acts of harassment, intimidation, or bullying and the custodial parent or guardian of students against whom such acts were committed, and shall allow access to any written reports pertaining to the incident, to the extent permitted by O.R.C. §3319.321 and the Family Educational Rights and Privacy Act.
1. Definition of Harassment, Intimidation, or Bullying In accordance with this policy, “harassment, intimidation, or bullying” means either of the following:
 - a. Any intentional written, verbal, electronic, or physical act that a student has exhibited toward another particular student more than once and the behavior both:
 - i. Causes mental or physical harm to the other student; and
 - ii. Is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student; or

- b. Violence within a dating relationship. “Electronic act” means an act committed through the use of a cellular telephone, computer, pager, personal communication device, or other electronic communication device.

The behavior prohibited by this policy is marked by the intent to ridicule, humiliate, or intimidate the victim.

In evaluating whether conduct constitutes harassment, intimidation, or bullying, special attention should be paid to the words chosen or actions taken, whether such conduct occurred in front of others or was communicated to others, how the perpetrator interacted with the victim, and the motivation, either admitted or appropriately inferred, of the perpetrator.

- 2. Conduct Constituting Harassment, Intimidation, or Bullying Such conduct can take many forms and can include many different behaviors having overt intent to ridicule, humiliate or intimidate another student.

Examples of such conduct include, but are not limited to:

- a. Physical violence and/or attacks.
- b. Taunts, name-calling, and put-downs.
- c. Threats and intimidation (through words and/or gestures).
- d. Extortion or stealing of money and/or possessions.
- e. Exclusion from the peer group or spreading rumors.
- f. Repetitive and hostile behavior with the intent to harm others through the use of information and communication technologies and other Web-based/online sites (also known as “cyber bullying”), such as the following:

- g. Violence within a dating relationship.

- 3. Complaint Process

- a. Formal Complaints

Students and/or their parents or guardians may file reports of conduct that they consider to be harassment, intimidation, or bullying. Such written reports shall be reasonably specific as to the actions giving rise to the suspicion of harassment, intimidation, or bullying, including person(s) involved, time and place of the conduct alleged, the number of such incidents, the target of such suspected harassment, intimidation, or bullying, and the names of any potential student or staff witnesses. Such reports may be filed with any school staff member or administrator, and they shall be promptly forwarded to the building principal for review and action.

Teachers and other school staff who witness acts of harassment, intimidation, or bullying, as defined above, shall promptly notify the building principal and/or his/her designee of the event observed, and shall promptly file a written incident report concerning the events witnessed.

- b. Informal Complaints

Students may make informal complaints of conduct that they consider to be harassment, intimidation, or bullying by verbal report to a teacher or administrator. Such informal complaints shall be reasonably specific as to the actions giving rise to the suspicion of harassment, intimidation, or bullying, including person(s) involved, time and place of the conduct alleged, the number of such incidents, the target of such suspected harassment, intimidation, or bullying, and the names of any potential student or staff

witness. A school staff member or administrator who receives an informal complaint shall promptly reduce the complaint to writing, including the information provided. Such a written report by the school staff member and/or administrator shall be promptly forwarded to the building principal for review and action.

In addition to addressing both informal and formal complaints, school personnel are encouraged to address the issue of harassment, intimidation, or bullying in other interaction with students. School personnel may find opportunities to educate students about harassment, intimidation, or bullying and help eliminate harassment, intimidation, or bullying behavior through class discussions, counseling, and reinforcement of socially appropriate behavior. School personnel should intervene promptly whenever they observe student conduct that has the purpose or effect of ridiculing, humiliating, or intimidating another student, even if such conduct does not meet the formal definition of “harassment, intimidation, or bullying.”

4. Deliberately Making False Reports

Students are prohibited from deliberately making any false report of harassment, intimidation, or bullying. Students found to have violated this prohibition are subject to the full range of disciplinary consequences, up to and including suspension and expulsion.

5. Confidentiality

The right to confidentiality, both of the complainant and of the accused, will be respected consistent with the District’s legal obligation to the complainant, alleged harasser, and witnesses, and with the necessity to investigate allegations of misconduct and take corrective action when this conduct has occurred.

6. Investigation

- a. The investigator should remember that the investigation requires a balancing of the accused’s rights, the complainant’s right to an environment free of harassment, intimidation, or bullying, and the Board of Education’s interest in a prompt and fair investigation.
- b. The investigator shall meet with the complainant within a reasonable period of time from the time of making the complaint. However, the investigator is urged to meet with the complainant as soon as possible.
- c. Following the meeting with the complainant, the investigator shall conduct an investigation to determine if harassment, intimidation, or bullying has occurred. The investigation shall include a conference with the accused and the complainant, as well as any and all other methods which are considered necessary to determine whether harassment, intimidation, or bullying has occurred.

7. Post-Investigation Procedures

- a. Upon conclusion of the investigation, the investigator shall issue a written report. The report shall include a determination of whether the accused was found to have engaged in harassment, intimidation, or bullying, was found not to have engaged in harassment, intimidation, or bullying, or whether the investigation was inconclusive. The report shall be issued to the complainant’s parents. A copy of the report shall also be sent to the Superintendent or his/her designee.
- b. A finding of no harassment, intimidation, or bullying or inconclusive evidence shall end the investigation.
- c. If harassment, intimidation, or bullying is found to have occurred, the investigator shall recommend what steps are necessary to ensure that the harassment, intimidation, or bullying is eliminated for the victim and other individuals affected by the harassment, intimidation, or bullying and to correct its effects on the complainant and others, if appropriate.

8. Retaliation is Prohibited

Retaliation against those who file a complaint or participate in the investigation of the complaint is prohibited.

Therefore, filing of a complaint or otherwise reporting harassment, intimidation, or bullying will not reflect upon the student's status, nor will it affect future employment, grades, or work assignments.

Further, the administrator is directed to implement strategies for protecting a victim from retaliation following a report.

9. Remedial Actions

Verified acts of harassment, intimidation, or bullying shall result in intervention by the building principal or his/her designee that is intended to assure that the prohibition against harassment, intimidation, or bullying behavior is enforced, with the goal that any such harassment, intimidation, or bullying behavior will end as a result.

Harassment, intimidation, or bullying behavior can take many forms and can vary in how serious it is, and what impact it has on the targeted individual and other students. Accordingly, there is no one prescribed response to verified acts of harassment, intimidation, or bullying. While conduct that rises to the level of "harassment, intimidation, or bullying" as defined above will generally warrant disciplinary action against the perpetrator of such harassment, intimidation, or bullying, whether and to what extent to impose disciplinary action (detention, in and out-of-school suspension, or expulsion) is a matter for the professional discretion of the building principal.

10. Non-Disciplinary Interventions

When verified acts of harassment, intimidation, or bullying are identified early and/or when such verified acts of harassment, intimidation, or bullying do not reasonably require a disciplinary response, students may be counseled as to the definition of harassment, intimidation, or bullying, its prohibition, and their duty to avoid any conduct that could be considered harassment, intimidation, or bullying. If a complaint arises out of conflict between students or groups of students, peer mediation may be considered.

11. Disciplinary Interventions

When acts of harassment, intimidation, or bullying are verified and a disciplinary response is warranted, students are subject to the full range of disciplinary consequences. Suspension is a possible consequence for a student found responsible for harassment, intimidation, or bullying by an electronic act.

12. Strategies for Protecting Victims or Other Persons From New or Additional Acts

- a. Supervise and discipline offending students fairly and consistently;
- b. Provide adult supervision during recess, lunch time, bathroom breaks, and in the hallways during times of transition;
- c. Maintain contact with parents and guardians of all involved parties;
- d. Provide counseling for the victim if assessed that it is needed;
- e. Inform school personnel of the incident and instruct them to monitor the victim and the victim's friends or family members and the offending party for indications of harassing, intimidating, and bullying behavior. Personnel are to intervene when prohibited behaviors are witnessed;
- f. Check with the victim and the victim's friends or family members to ensure that there has been no new or additional incidents of harassment/intimidation/bullying or retaliation of the victim or other persons from the offender or other parties.
- g. If necessary to protect a person from new or additional acts of harassment, intimidation, or bullying, and from retaliation following a report, a person may make an anonymous report of an incident considered to be harassment, intimidation, bullying, or retaliation by providing written information to

any staff member or administrator. The report should include as much information as possible and shall be forwarded promptly to the building principal for review and action.

In addition to the prompt investigation of complaints of harassment, intimidation, or bullying and direct intervention when acts of harassment, intimidation, or bullying are verified, other District actions may ameliorate any potential problem with harassment, intimidation, or bullying in school or at school-sponsored activities. While no specific action is required and school needs for such interventions may vary from time to time, the following list of potential intervention strategies shall serve as a resource for administrators and school personnel:

- a. Respectful responses to harassment, intimidation, or bullying concerns raised by students, parents or school personnel;
- b. Planned professional development programs addressing bully/targeted individuals' problems;
- c. Data collection to document bully/victim problems to determine the nature and scope of the problem;
- d. Use of peers to help ameliorate the plight of victims and include them in group activities;
- e. Avoidance of sex-role stereotyping (e.g. males need to be strong and tough);
- f. Awareness and involvement on the part of all school personnel and parents with regards to bully-victim problems;
- g. An attitude that promotes communication, friendship, assertiveness skills, and character education;
- h. Modeling by staff of positive, respectful, and supportive behavior toward students;
- i. Creating a school atmosphere of team spirit and collaboration that promotes appropriate social behavior by students in support of others;
- j. Employing classroom strategies that instruct students how to work together in a collaborative and supportive atmosphere; and/or
- k. Forming harassment, intimidation, and bullying task forces, programs, and other initiatives involving volunteers, parents, law enforcement, and community members.

This policy shall appear in student handbooks, and in the publications that set forth the comprehensive rules, procedures, and standards of conduct for schools and students in the District. The policy and an explanation of the seriousness of bullying by electronic means shall be made available to students and their custodial parents or guardians. Information regarding the policy shall be incorporated into employee training materials.

Orientation sessions for students shall introduce the elements of this policy and procedure. Students will be provided annually with age-appropriate instruction on the recognition and prevention of harassment, intimidation, or bullying, including discussion of the consequences of violating this policy, and their rights and responsibilities under this and other District policies, procedures, and rules at student orientation sessions and on other appropriate occasions.

A district employee, student, or volunteer shall be individually immune from liability in a civil action for damages arising from reporting an incident in accordance with a policy adopted pursuant to this section if that person reports an incident of harassment, intimidation, or bullying promptly in good faith and in compliance with the procedures as specified in the policy.

The Administration shall annually send to each student's custodial parent or guardian a written statement describing this policy and the consequences for violating it. The Administration shall semi-annually provide the president of the Board a written summary of all reported incidents and post the summary on the District's website to the extent permitted by state and federal student privacy laws.

No person shall be disadvantaged or treated unfairly by the Board of Education or any of its personnel or students on the basis of race, ethnicity, or national origin, whether intentionally or otherwise, in any activity at any level of the operations of the District.

Racial/Ethnic/National Origin Harassment

Racial/ethnic/national origin harassment may be any behavior, verbal or physical, which is imposed by an employee or student on a student because of race, national origin, or ethnic background, which is intimidating, offensive, abusive, threatening or unwelcomed and which causes or contributes to a racially/ethnically/national origin based hostile environment.

Such a hostile environment exists when acts of harassment are sufficiently numerous, severe, or pervasive to impair or alter an individual's school environment. The existence of a hostile environment is to be judged from the viewpoint of a reasonable person in the victim's situation under all of the existing circumstances.

Such harassment may include, but is not limited to:

1. Racial/ethnic/national origin oriented verbal "kidding" or demeaning racial/ethnic innuendos, teasing, jokes or remarks of a racial/ethnic nature.
2. Writing graffiti and/or slogans depicting racial/ethnic slurs or racially/ethnically derogatory sentiments.
3. Racial/ethnic/national origin motivated intimidation and/or physical violence or threats of physical violence.

Racial/Ethnic/National Origin Discrimination

It is unlawful to discriminate against a student because of his/her race, ethnicity, or national origin.

Investigation of Harassment and/or Discrimination

In order to prevent, deter, or correct such a hostile environment or concern about such discrimination, it is the responsibility of the administrative personnel to investigate any charges of racial/ethnic/national origin harassment or discrimination when brought to their attention and take appropriate corrective action.

1. Complaint Procedure

- a. The student desiring to file a harassment/discrimination complaint must present the complaint, in writing, to the Title VI Coordinator. If the student verbally complains to a staff member regarding such harassment, the staff member is required to report the complaint to the Coordinator. The Coordinator or his/her designee shall investigate the matter unless otherwise designated by the Board.
- b. If the Coordinator is the employee alleged to have engaged in the harassment/discrimination, the complaint shall be sent directly to the Superintendent. The Coordinator will either conduct the investigation set out below, or appoint an investigator in his/her place.
- c. The right to confidentiality, both of the complainant and of the accused, will be respected consistent with the District's legal obligation and with the necessity to investigate allegations of misconduct and take corrective action when this conduct has occurred.

2. Investigation

- a. The investigator should remember that the investigation requires a balancing of the accused's rights, the complainant's right to an environment free of harassment/discrimination, and the Board's interest in a prompt and fair investigation.
- b. The investigator shall meet with the complainant within a reasonable period of time from the time of making the complaint. However, the investigator is urged to meet with the complainant as soon as possible.
- c. Following the meeting with the complainant, the investigator shall conduct an investigation to determine if harassment/discrimination has occurred. The investigation shall include a conference with the accused and the complainant, as well as any and all other methods which are considered necessary to determine whether harassment/discrimination has occurred.

3. Post-Investigation Procedures

- a. Upon conclusion of the investigation, the investigator shall issue a written report. Although the facts and circumstances of a particular investigation may require an investigation to continue beyond 45 school days, it is recommended that the investigation and a report of the findings be completed within that time frame. The report shall include a determination of whether the accused was found to have engaged in harassment/discrimination, was found not to have engaged in harassment/discrimination, or whether the investigation was inconclusive. The report shall be issued to the complainant or to the complainant's parents. A copy of the report shall also be sent to the Superintendent or his/her designee.

- b. A finding of no harassment/discrimination or inconclusive evidence shall end the investigation.
- c. If harassment/discrimination is found to have occurred, the investigator shall recommend what steps are necessary to ensure that the harassment/discrimination is eliminated for the victim and other individuals affected by the harassment/discrimination and to correct its discriminatory effects on the complainant and others, if appropriate.

4. Discipline

If harassment/discrimination is found to have occurred, the person who engaged in such harassment/discrimination may be disciplined, up to and including suspension or expulsion of students. The discipline must be reasonably calculated to end the harassment/discrimination, up to and including suspension or expulsion of students. Any discipline must include a directive that the student or employee not engage in such harassment/discrimination in the future.

The Superintendent shall appoint the Title VI Coordinator for Non-Discrimination for the District.

School employees will be notified at least annually of their responsibility to report all instances of possible racial/ethnic/national origin discrimination or harassment of which they become aware and to whom such a report shall be made.

It is Board policy that all reports of such harassment will be thoroughly investigated, and violations of this policy will be treated as serious disciplinary infractions. No student shall be subjected to retaliation for any good faith report of harassment/discrimination or participating in an investigation about harassment/discrimination under this policy. Limited disclosure may be necessary to complete a thorough investigation.

Sexual Harassment

Sexually offensive speech and conduct are wholly inappropriate to the operation of the District and will not be tolerated. This policy or a version which provides students adequate notice of the prohibition against sexual harassment, the conduct that constitutes sexual harassment, and the complaint procedure for reporting sexual harassment shall be included in the student handbooks.

It shall be a violation of this policy for any member of the District staff to harass a student through conduct or communications of a sexual nature as defined below or to have romantic or sexual relations with a student. Retaliation in any form against those persons alleging that sexual harassment has occurred or participating in the investigation of the complaint is also prohibited. It shall also be a violation of this policy for students or third parties (i.e., visiting speaker, or visiting athletic team) to harass other students through conduct or communications of a sexual nature as defined below.

Any teacher, counselor or administrator who receives a report, verbally or in writing, from any person regarding sexual harassment of a student or employee must forward that report to the building principal or Title IX Coordinator(s) within one school day or within a reasonable period of time if there is a good cause for the delay. Any building principal receiving a report of sexual harassment shall promptly notify the Title IX Coordinator(s).

While suspended, expelled, or removed from school, students are not permitted to attend or participate in curricular or extracurricular activities, or be on school property for any reason unless a prior appointment has been made with school officials. If a student is removed only from a particular class or activity, the student may not attend the class or participate in the activity for the duration of the removal.

A suspension or expulsion shall result in the student's total removal from the education program. Credit will not be given for work which is missed due to out-of-school suspension and which is not completed by the student per Paragraph C.11. below. For an in-school suspension, credit will be given for all classroom assignments that can be completed during the in-school suspension, or as homework if the student collects the assignments.

Teachers, school bus drivers, and other employees of this Board of Education having authority over students may take such action as may be necessary to control the disorderly conduct of students in all situations and in all places where such students are within the jurisdiction of this Board and when such conduct interferes with the educational program of the schools or threatens the health and safety of others.

Discipline on Board vehicles shall be the responsibility of the driver on regular bus runs. When Board vehicles are used for field trips and other Board activities, the teacher, coach, advisor, or other Board employee shall be responsible for student discipline.

Expulsion is defined as the denial to a student of permission to attend school and to take part in any school function, for a period exceeding ten school days but not exceeding the greater of 80 school days, or one year in certain circumstances, or the number of school days remaining in the semester or term in which the incident that gives rise to the expulsion takes place, unless the expulsion is extended pursuant to O.R.C. §3313.66(F).
3. Emergency Removal is defined as the denial of permission to be on school premises or at curricular activities to a student whose presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process taking place either within a classroom or elsewhere on the school premises.
4. Disciplinary Removal is an action less severe than suspension, expulsion, or emergency removal and defined as the denial to a student of permission to attend the classes in which he/she is enrolled, or participate in an extracurricular activity in which he/she has been involved, for a period of less than one school day.
5. Permanent Exclusion means the prohibition of a student forever from attending any public school in this state that is operated by a city, local, exempted village, or joint vocational school district.
6. In-School Suspension means a suspension served in a supervised learning environment within a school setting in the District.

B. Expulsion

1. The Superintendent is the only school administrator who may expel a student.
2. Whenever an incident occurs that may lead to an expulsion, the principal may suspend a student prior to the expulsion hearing.
3. The Superintendent shall give the student and his/her parent, guardian, or custodian written notice of the intention to expel the student and provide the student and his/her parent, guardian, custodian, or representative an opportunity to appear before the Superintendent or designee to challenge the reasons for the intended expulsion or otherwise explain his/her actions. The notice must include:
 - i. The reason(s) for the intended expulsion.
 - ii. Notification of the right of the student and the parent, guardian, custodian or representative to appear on request before the Superintendent or designee to challenge the reason(s) for the intended expulsion or to otherwise explain the student's action. This hearing cannot be compelled by the administrator. The Superintendent or designee may utilize the service of counsel if deemed appropriate.
 - iii. The date, time and place to appear must not be earlier than three nor later than five school days after the notice is given unless the Superintendent grants an extension of time. Whenever a student has attained 18 years of age, the right accorded to the parent of the student shall thereafter only be required of and accorded to the student. If a

student refuses to sign the form for the notice to parents or guardians his/her refusal will be noted in the presence of a witness.

- iv. If the proposed expulsion is based on a violation listed in O.R.C. §3313.662(A) and the student is 16 years of age or older, the notice shall include a statement that the Superintendent may seek the permanent exclusion of the student if he/she is convicted or adjudicated a delinquent child for that violation.
4. The Superintendent or designee may grant an extension of time if requested on behalf of the student. If granted, the Superintendent must notify all parties of the new date, time, and place of the hearing.
5. The Superintendent or designee shall conduct the hearing at the appointed time and place. The purpose of the hearing is for both sides to give their side of the story.
6. The student may waive his/her right to a hearing. This waiver is to be in writing and signed by both students and parents. Additionally, the student can waive the hearing by not appearing or by his/her representative not appearing at the scheduled hearing.
7. If the Superintendent decides to expel, within one school day of the decision to expel, the Superintendent must notify the parent, guardian, or custodian of the student and the Treasurer of the Board of the action to expel in writing. If at the time an expulsion is imposed there are fewer school days remaining in the school year in which the incident that gives rise to the expulsion takes place than the number of days the student is to be expelled, the Superintendent may apply any remaining part or all of the period of the expulsion to the following school year. The notice of expulsion must include:
 - i. The reason(s) for the expulsion.
 - ii. Notification of the right of the student, parent, guardian, or custodian to appeal to the Board or its designee within 14 days after the date of the expulsion notice by sending notice by mail to the Board or its designee. The notice shall indicate that the notice of intent to appeal must be postmarked no later than 14 days after the date of the notice of expulsion.
 - iii. The right of representation at the appeal.
 - iv. The right to be granted a hearing before the Board or its designee and request the hearing be held in executive session.
 - v. Notification that the expulsion may be subject to extension pursuant to O.R.C. §3313.66(F) if the student is 16 years of age or older.
 - vi. Notification that the Superintendent may seek the student's permanent exclusion if the expulsion is based on a violation listed in O.R.C. §3313.662(A) that was committed when the child was 16 years of age or older, if the child is convicted or adjudicated a delinquent child for that violation.
 - vii. If the Superintendent expels a student for more than 20 school days or for any period of time if the expulsion will extend into the following semester or school year, the notice of expulsion shall also include the names, addresses, and phone numbers of any public or private agencies that may offer services or programs that work toward improving those aspects of the student's attitudes and behavior that contributed to the incident that gave rise to the student's expulsion.
8. An appeal of the expulsion must be made within 14 days of receipt of the notice of expulsion.
9. A student or his/her parent, guardian, or custodian may appeal the expulsion to the Board or its designee. The student or the parent, guardian, or custodian may be represented in all such appeal

proceedings and shall be granted a hearing before the Board or its designee, which may be in executive session upon the request of the student, parent, guardian, custodian or representative.

10. A verbatim record shall be made of the hearing.
11. The Board or its designee can act only after a hearing, if requested, has been held. The Board or its designee may affirm, reverse, vacate, or modify the expulsion.
12. The action of the Board or its designee on the expulsion must be in a public meeting.
13. The Treasurer or the Board's designee shall promptly notify the student, parent, guardian, custodian, or representative in writing of the decision.
14. The decision of the Board or its designee may be further appealed to the Court of Common Pleas under O.R.C. Chapter 2506.
15. The Superintendent, at his/her discretion, may require/allow a student to perform community (including the District) services in conjunction with or in place of an expulsion. This may also be required/allowed to extend beyond the end of the school year in lieu of applying the expulsion into the following school year. This provision does not apply to students expelled for bringing a firearm to a school operated by the Board or onto property owned or controlled by the Board.
16. The Superintendent shall initiate expulsion proceedings with respect to any student who has committed an act warranting expulsion under the Code of Student Conduct even if the student withdraws from the schools for any reason after the incident that gave rise to the hearing but prior to the hearing or decision to expel. If, following the hearing, the student would have been expelled had he/she still been enrolled in the school, the Superintendent shall impose the expulsion for the same length of time as a student who has not withdrawn from school.

C. Suspension

- The Superintendent, principal, assistant principal, or Superintendent's designee are the only school administrators who may suspend a student.

Whenever an incident occurs that may lead to a suspension, an administrator shall investigate the nature of the alleged offense.

- Prior to suspension or a hearing, the Superintendent or principal must give the student written notice of the intention to suspend. This notice must include the reason(s) for the intended suspension, and if the proposed suspension is based on a violation listed in O.R.C. §3313.662(A) and the student is 16 years of age or older, the notice may include a statement that the Superintendent may seek to permanently exclude the student if he/she is convicted or adjudicated a delinquent child for the violation.

- If the administrator decides to suspend, within one school day of the decision to suspend, the Superintendent, principal, assistant principal, or Superintendent's designee must notify the parent, guardian, or custodian of the student of the action to suspend in writing. If at the time an out of school suspension is imposed there are fewer than ten school days remaining in the school year in which the incident that gives rise to the suspension takes place, the Superintendent shall not apply any remaining part or all of the period

of the suspension to the following school year. The Superintendent may instead require the student to participate in a community service program or another alternative consequence for a number of hours equal to the remaining part of the period of the suspension. The student shall be required to begin the student's community service or alternative consequence during the first full week day of summer break. The District, in its discretion, may develop an appropriate list of alternative consequences. In the event that a student fails to complete community service or the assigned alternative consequence, the District may determine the next course of action, which shall not include requiring the student to serve the remaining time of the out-of-school suspension at the beginning of the following school year.

A notice of suspension must include:

- i. The reason(s) for the suspension.
 - ii. The duration of the suspension

 - iv. The right of representation at the appeal
 - v. The right to be granted a hearing before the Board or its designee and request the hearing be held in executive session
 - vi. Notification that the Superintendent may seek the student's permanent exclusion if the suspension is based on a violation listed in O.R.C. §3313.662(A) that was committed when the child was 16 years of age or older, if the child is convicted or adjudicated a delinquent child for that violation.
- A verbatim record of the appeal hearing shall be made.
 - The Board or its designee can act only after a hearing, if requested, has been held. The Board or its designee may affirm, reverse, vacate, or modify the suspension.
 - The action of the Board or its designee on the suspension must be in a public meeting.

ATHLETIC RULES AND REGULATIONS

It is a privilege, not a right, to participate in athletics at Nordonia High School. Thus, athletes must strive to achieve standards, which will uphold the integrity of Nordonia High School.

Student athletes are subject to the following code of conduct 24 hours a day, seven days a week for the duration of the season. The season will be defined as the official first day of practice as set forth by the OHSAA through the last contest, and any subsequent awards program, or all-star games. If a student athlete violates this code toward the end of their season, penalties could carry over into their next season of participation.

Areas of Participation Denial:

1. Chemical Abuse (Alcohol and Drugs)

An athlete shall not use, possess, sell, conceal, buy, transport, be under the influence of, or smell of alcoholic beverages or controlled substances, nor shall he/she possess drug paraphernalia. This includes marijuana, hemp and hemp products, hallucinogens, and other controlled substances. An athlete shall not use, possess, sell, conceal, buy, transport, or be under the influence of, look-alike drugs or substances, which are thought to be drugs, sold as drugs, or thought by the seller or buyer to be mind altering substances or controlled substances. An athlete shall not use, sell, conceal, buy, transport, or be under the influence of performance enhancing drugs, including but not limited to anabolic steroids.

In order to be consistent and fair from season to season, the following policy will be in effect.

- i. First Violation: The athlete will be denied participation for the remainder of the season. However, if the athlete chooses to schedule, attend and successfully complete SASSI by Nordonia's Community Intervention Coordinator and follow the recommendations, then the athlete may return to practice and the team after three (3) athletic days. In addition to this suspension, the athlete will be denied participation in a total of 20% of the regular season contests. If there are fewer than 20% remaining in the season, the penalty will carry over into any post season games and then into the next season of participation. Example: The infraction occurs during the basketball season. The penalty would be 20% of 22 contests or 4 contests. If only 2 contests (10% of the season) remain, the remaining 10% would be based on the number of contests in the next season of participation
- ii. Second Violation: The athlete will be denied participation for the remainder of the season. If the athlete chooses to schedule, attend and successfully complete an assessment by a Certified Chemical Dependency Counselor level III(CCDCIII) at his/her sole expense, and follow the recommendations of an approved agency and/or individual, then the athlete may return to practice and the team after three (3) athletic days. In addition, the athlete's season long suspension will be reduced to a minimum of 30% of the regular season contests. If there are fewer than 30% of the contests remaining in the season, the penalty will carry over into any post season contests and then into the next season of participation. (See the example above) The athlete will be required to attend a follow up appointment with the previous agency of assessment.
- iii. Third Violation: The athlete will be denied participation for one calendar year and be required to attend a follow up appointment with the previous agency of assessment.

*Note: An athletic day refers to any day that has a scheduled practice or contest.

2. Tobacco/Nicotine/Vape Products

An athlete shall not possess, use, transmit, buy, conceal, or be under the influence of any tobacco product, any alternative nicotine product or device including electronic, vapor or other substitute forms of cigarettes, regardless of the substance contained therein, or any other tobacco or nicotine products.

- i. First Violation: The athlete will be denied participation for the remainder of the season. If the athlete chooses to schedule and complete the tobacco/nicotine cessation program with the school's community intervention counselor, the suspension will be reduced to three (3) athletic days. In addition to this suspension, the athlete will be denied participation in a total of 20% of the regular season contests. If there are fewer than 20% of the contests remaining in the season, the penalty will carry over into any post season contests and then into the next season of participation. . Example: The infraction occurs during basketball season. The penalty would be 20% of 22 contests or 4 contests. If only 2 contests (10% of the season) remain in the season, the remaining 10% would be based on the number of contests in the next season of participation
- ii. Second Violation: Second Violation: The athlete will be denied participation for the remainder of the season. If the athlete chooses to schedule, attend and successfully complete an assessment by a Certified Chemical Dependency Counselor level III(CCDCIII) at his/her sole expense, and follow the recommendations of an approved agency and/or individual, then the athlete may return to practice and the team after three (3) athletic days. In addition, the athlete's season long suspension will be reduced to a minimum of 30% of the regular season contests. If there are fewer than 30% of the contests remaining in the season, the penalty will carry over into any post season contests and then into the next season of participation. (See the example above) The athlete will be required to attend a follow up appointment with the previous agency of assessment.

Athletes must be in school on the day of a contest at least one half the school day. Being absent on the day of a contest will render an athlete ineligible for that contest. Such absence or tardiness can be excused only by a principal.

4. Vacation Policy

Athletes missing mandatory contests during a scheduled vacation will be required to sit out the following number of contests:

- Miss 1 or 2 contests..... Sit out one contest upon return

Procedures For Denial Of Participation

1. The Superintendent, principal, assistant principal, or other authorized personnel employed by the District to supervise or coach the student activity program issues an athletic intent to deny participation statement to the athlete, which includes the reason(s) for the intended denial. An informal hearing follows. The coach may or may not be present.
2. After the Intent has been issued, the parents of the athlete will be informed that they have twenty four hours from the time of notification, to appeal the denial. The appeal request must be directed to the student's building principal.
3. If an appeal is made, the principal shall hold a meeting with the student/parent to allow him/her to challenge the reasons for the intended denial.

4. Following the meeting, the principal shall issue a written decision regarding the denial. The decision of the Principal shall be final and is not appealable.

Special notice: any student athlete who quits a team during the course of the season, is responsible for all uniforms and/or equipment issued to him/her. These uniform(s) and/or equipment must be returned to the head coach of that specific team, prior to the conclusion of that sport season. Failure to do so will result in the student athlete in question being charged the replacement cost of all uniform(s) and/or equipment that he/she was issued. Should a student athlete reconsider his/her decision to quit a team, they may not rejoin that team without the expressed permission of the head coach and athletic director.

Recognizing the varying degrees of severity, the type of misconduct, and an athlete's previous record of conduct, each situation will be considered individually. The coach and/or athletic director will determine appropriate consequences, which may include denial of participation or dismissal from the team. In all cases, a written record of the incident will be filed with the Athletic Director

2. Releasing/Accepting Student Athletes

Athletes wishing to attend Nordonía Hills City Schools from outside the School District boundaries must make an application **between June 1st and August 15th**. The request must be made through the Athletic Director's office. Guidelines established by the Ohio High School Athletic Association regarding student releases will be followed in all cases.

3. Academic Eligibility

Academic eligibility is a prerequisite to participation in any team or individual activity. Students who are determined to be ineligible at the onset of the season will not be able to participate in any games or contests. If a student becomes academically eligible after a grading period and the sports season is already in progress, the student may become a member of a team based on the coach's recommendation.

4. Equipment

An athlete must return school equipment in the condition it was received, with reasonable wear and tear, within 5 school days of the last contest. Athletes must reimburse the Nordonía Board of Education for lost or damaged equipment prior to receiving any athletic awards. An athlete must fulfill obligations from a previous season before he/she will be permitted to begin participation in any other athletic activities.

Any student athlete who quits a team during the course of the season is responsible for all uniforms and/or equipment issued to him/her. The uniforms and/or equipment must be returned to the head coach of that specific team prior to the conclusion of that sport season. Failure to do so will result in the student athlete in question being charged the replacement cost of all uniforms and/or equipment that he/she was issued. Should a student athlete reconsider his/her decision to quit a team, they may not rejoin that team without the expressed permission of the head coach and Athletic Director.

5. Attendance An athlete is expected to attend all team activities unless excused by the coach prior to the

absence. Unexcused absences will result in the disciplinary action described in the Code of Conduct. Extended excused absences may result in the loss of playing time. The coach will keep a written record of excused and unexcused absences and inform the parent and Athletic Director when the athlete's actions result in denial of participation.

6. Compliance

An athlete must comply with the rules of the Suburban League, the Ohio High School Athletic Association, and the Nardon Board of Education approved Student Code of Conduct.

Eligibility For Participation In Interscholastic Extracurricular Athletics

Health Center/First Aid/Prescription Drugs

Many students are able to attend school regularly only through effective use of medication in the treatment of disabilities or illness. Insofar as it is possible, provisions should be made for such medication to be given by the parent prior to or following the school day. When possible, parents should plan to bring and administer medication. Those students old enough to understand and follow directions for taking their medication should be responsible for the same under supervision. If this is not possible, the dispensation of medication during the school day will be done in accordance with the following:

1. Persons hereinafter designated by the Board of Education shall be authorized, when acting in situations other than those governed by O.R.C. §§2305.23, 2305.231, and 3313.712, to administer to a student a drug prescribed by a prescriber for the student in accordance with this policy. Only Board employees who are licensed health professionals, or have completed an appropriate drug administration training program conducted by a licensed health professional and considered appropriate by the Board, may administer to a student a drug prescribed for the student. Except as otherwise required by federal law, no employee of this Board shall use the following procedures to administer drugs to a student:
 - a. Injection.

 - b. The school nurse or other person(s) designated by the building principal receives a written statement, signed by the prescriber who prescribed the drug, that includes all of the following information:
 - i. The name and address of the student;
 - ii. The school and class in which the student is enrolled;
 - iii. The name of the drug and the dosage to be administered;
 - iv. The time or intervals at which each dosage of the drug is to be administered;
 - v. The date the administration of the drug is to begin;
 - vi. The date the administration of the drug is to cease;
 - vii. Any severe adverse reactions that should be reported to the prescriber and one or more telephone numbers at which the prescriber can be reached in an emergency;
 - viii. Special instructions for administration of the drug, including sterile conditions and storage.
 - c. The parent, guardian, or other person having care or charge of the student agrees to submit a revised statement signed by the prescriber of the drug to the school nurse or other person(s) designated by the principal if any of the information previously provided by the prescriber pursuant to division (C)(2) of this policy changes.
 - d. The school nurse or other designated person(s) must receive a copy of all statements and revisions of any statement required by division (C)(1) and (2) of this policy;
 - e. The drug is received by the school nurse or other designated person(s) authorized to administer the drug to the student for which the drug is prescribed in the container in which it was dispensed by the prescriber or a licensed pharmacist. The parent is required to bring all medication to school; and
 - f. Any other procedures required by the Board are followed.
4. If a prescribed drug is administered to a student, the school nurse or other person(s) designated by the principal shall acquire and retain copies of the written requests and statements required by this policy, and shall ensure that by the next school day following the receipt of any such statement a copy is given to the person authorized to administer drugs to the student for whom the statement has been received and the original is kept on file in the building where the student attends school.
5. The school nurse or a person designated by the principal, or designee shall establish a location in each school building for the storage of drugs to be administered under this policy. All such drugs shall be stored in that location in a locked storage place, except that drugs that require refrigeration may be kept in a refrigerator in a place not commonly used by students.
6. No person who has been authorized by the Board to administer a drug in accordance with this policy and who has a copy of the most recent statement required by this policy given to him in accordance with this policy prior to administering the drug is liable in civil damages for administering or failing to administer the drug, unless such person acts in a manner that constitutes gross negligence or wanton or reckless misconduct.
7. This policy may be changed, modified, or revised by action of the Board.

This policy does not apply to or otherwise regulate the conduct of such dental disease programs sponsored by the Ohio Department of Health.

11. Other oral medication, such as aspirin, will not be administered to children under any circumstances by school personnel, unless indicated by the parent on the emergency medical form, grades five through twelve.
12. The District retains the discretion to reject requests for administration of medication.
13. A copy of this policy may be provided to parents upon their request for administration of medication in the schools.
14. In the case of over the counter drugs, the same procedures as outlined in the above policy are to be followed with the exception of those procedures referring to the prescriber's permission and procedures. In the case of over the counter drugs, the parent is responsible for complying with all procedures in lieu of the prescriber and assumes liability for the above. Written authorization or instructions from a health care provider is not required to apply non prescription topical ointments designed to prevent sunburn, or for a student to self-apply, on school property or at a school-sponsored event. Lockers

Every student will be assigned his/her own locker. They will retain this locker through graduation or for the duration of time they attend Nordonia High School. Students may use lockers before or after school, or during class changes. However, stopping at a locker for materials between classes is rarely an acceptable reason for being late to class. Students should plan to take with them materials for their morning classes before school begins, and for their afternoon classes at lunch time. Do not share your combination and/or locker with anyone. Students must use their assigned lockers and may not change lockers without the permission of the Main Office. Defective lockers should be reported immediately to a front office administrative assistant.

Students will no longer be able to decorate lockers using tape. Locker decoration kits may be picked up at the bookstore free of charge. You may also tack decorations to the display boards above the lockers.

Locker decorations must not interfere with the operation of the locking mechanism.

Nothing obscene, vulgar, or of a racially derogatory nature may be posted on or inside a locker.

All posters are to be displayed in the "Post It" areas and the display boards above the lockers. Any materials displayed outside these areas will be removed by the custodians.

Student lockers, desks, cabinets and similar property are the property of the Nordonia Hills Board of Education provided to students as a convenience for their use. Lockers and other such property carry no expectation of privacy for the students who occupy them. School lockers, desks, cabinets, etc. and their contents are subject to search by school authorities at any time and without warning.

Remember - students are responsible for all board of education materials (textbooks, etc.) Which are issued to them whether lost, damaged or stolen.

Fire and Tornado Drills

Fire and tornado drills are held periodically in accordance with state law and should be taken seriously. A continued ringing of the fire alarm tone will signal a fire drill. When this occurs, you should exit the building immediately according to the exit plan for the room you are in. An exit map is posted in each classroom-make yourself familiar with the proper exit route for each of your classrooms.

A designated siren will signal a tornado drill. Instructions regarding tornado drills will be given over the P.A. system immediately following the signal.

Note: state law requires all persons to exit the building during a fire drill. This law also applies to emergencies occurring before or after school or at events taking place in the school building. At the audible signal, all persons must exit the building immediately.

Food And Beverage Policy

1. All food and drink is to be consumed in the cafeteria only!!!
2. All vending machines will be on for student, faculty and community use from 3:00 p.m. until the building closes for the day, except during those times it will conflict with the concession stand or other after school food fundraising activities.
3. Teachers have the discretion to utilize food/drink in the classroom as it relates to curricular instruction.
4. No food of any kind is to be used in the decorating of lockers.
