

## **Lee Eaton & The Nordonia Hills Public Library are teaming up for your summer reading!**

**Who:** Incoming 5th and 6th grade students

**What:** Nordonia Hills Library Summer Reading Program

**When:** Summer 2023

**This year Lee Eaton is requesting incoming 5th and 6th graders to join the library's summer reading program. This program encourages daily reading AND exercise for prizes. All you need to do is pick up a registration/recording sheet from the library and record your reading and exercise. Check some great books out and read, read, read! The recording sheet will identify your reading goals and rewards.**

**Bring your record sheet to school the first week of school for a surprise reward at Lee Eaton!**

**Check out the reading ideas and discussion suggestions on the next couple of pages to make reading a family event.**

***Also, be sure to check out all the fun and free in-person activities for all ages being hosted all summer long at the Nordonia Hills Public Library. These help promote literacy and offer a chance to pick up new books to read all summer long.***

**Check out their [website](#) for more information on programs and how to register online.**

## **FIFTH GRADE**

## **SIXTH GRADE**

<https://www.scholastic.com/parents/books-and-reading/reading-resources/language-and-literacy-milestones/6th-grade-readinghelp-your-child-excel-reading.html>

**SORA! Free eBooks and Audiobooks available from our Lee Eaton school library!**

Download the Sora app on any mobile device to have access to hundreds of book titles that can be read or listened to anytime. Sora

can also be used on chromebooks or computers by visiting:  
<https://soraapp.com>

-Students log into our district Sora account with their Nordonia account to access. Materials borrowed will remain on account for 3 weeks and can be renewed if there are no other holds.

-All of the titles in Sora are age-level and reading appropriate for 5th and 6th grade students.
