

Athletic Eligibility

The State of Ohio, through the Ohio High School Athletic Association, adopted the following eligibility requirements for all athletic programs, effective August 1, 2021.

Athletic Eligibility:

All students must be enrolled in and receive passing grades in a minimum of five (5) credit-equivalent courses during the preceding grading period. Students are responsible for carefully planning their academic schedules to ensure that they are enrolled in and passing the minimum number of courses each nine weeks to satisfy the athletic eligibility requirements set forth by the Ohio High School Athletic Association. All courses in which a student earns either a full or half credit satisfy eligibility requirements. Any course receiving .250 credits **DOES NOT** qualify for athletic eligibility. (Physical Education)

Grades 9 – 12 Guidelines

(Students who receive less than a 1.5 GPA at the end of a grading period but are above 1.0 may be permitted to participate provided they engage in a structured academic intervention program approved by the Superintendent and monitored by the building principal.)
2. All provisions of the Ohio High School Athletic Association bylaws affecting scholarship shall apply for those students participating in interscholastic sports
