Invoicing and Payment of Fees

Renters will be invoiced for the actual time space is used. It will be the responsibility of the activity supervisor to sign off on the building log sheet immediately following your event. This extra step is to ensure accuracy in the information being billed and thus protect all parties involved as groups occasionally will over-run their allotted time, finish early or make last minute changes in the space requirements. The log serves as a chance for the activity supervisor to finalize the information so that corrected invoices need not be issued.

Please be considerate of the 48 hour cancellation rule. Due to limited space and high demand, your consideration in this regard is appreciated. The Nordonía Hills City School District reserves the right to charge applicable fees for any "no-show" events.

Groups will be responsible for a labor fee when:

- a. Maintenance personnel incur overtime due to your group's activity on weeknights.
- b. Your group is using space(s) outside of normal operating hours. Weekend maintenance rates will be billed, including set-up and clean-up time, at time-and-a-half on Saturday and at double-time on Sunday.

Renters agree to make final payment to the Business Office within thirty days of the final invoice. In the event that payment of fees is made by check and said check is returned for insufficient funds, account closed or other similarly related circumstance by the respective financial institution, the Treasurer will make every reasonable effort to obtain indemnification to replace the returned check. Additionally, the Treasurer is authorized to assess a service charge for each respective check. The service charge will be in addition to the amount owed for the returned check.

District-owned equipment is not included in the direct or indirect costs and shall be charged to the renting group based on request and type of equipment.

The Nordonía Hills City School District reserves the right to request payment of estimated fees in advance and to deny use of any facility due to failure to pay charges or fees.
