

Building Boosters of NORDONIA HILLS, INC.

Dear Nordonia Community,

Building Boosters of Nordonia Hills, Inc. is a 501(c)3 Nonprofit Charity created in 2016. We support the Nordonia Hills City School District by offering grants to make building repairs, as well as to purchase fixed assets such as appliances and furniture that may not be covered by the existing budget.

- We benefit the schools by working directly with the grant requestor and fulfill grants quickly as funds become available.
- We benefit you by offering you an avenue to make a tax-deductible donation that benefits our schools and our community.

We are beginning a **2019 Capital Campaign** and are asking you to help us get it started. We are looking into funding Health Monitors such as vaping detectors for the buildings. We are looking into assisting with the purchase of equipment for the kitchens to use to turn unserved cooked food into freezer meals for students in need. We have existing requests to fund for building improvements and furniture.

We need your support to get these projects funded. What can you donate to our **2019 Capital Campaign**? No donation is too big or too small. Please contact me with your questions.

Please make a Tax-Deductible donation today. We greatly appreciate your support!

Thank You!!

Building Boosters of Nordonia Hills, Inc.
