

COVID-19 Access to School Counseling Services Update

“Your High School Counselor will be available each weekday, much like the open door policy that occurs when school is in session, in the building. While students have a specific period they report to class each day, their counselor is available to them upon request throughout the day. We will continue to follow this same model each day even when in-person school is not in session. Students can access their counselor via email and request a phone call, video chat or email response. Below is a list of items that you may need from the

Counseling Department and guidance on how to access these services:

- To speak with a counselor for non-crisis, social/emotional support please complete this form and your counselor will be in contact with you within 24 hours - [Request for Support Services](#)
- Mental health and community resource referrals - email/call your grade level counselor and access these resources independently: [mental health resources](#), [Nordonia Resource Directory](#)
- To request a scheduling change or questions about your schedule - email your counselor directly
