To Be Signed by Parent/Guardian:

I give permission for blood glucose testing by the school health personnel/ nurse using equipment the parent/guardian has provided. I give permission for my child to receive medication (insulin) at school according to the school district policy and as instructed by the physician and agree to:

- Assume responsibility for safe delivery of the medication in its original container to the school
- Notify the school immediately if there is any change in the use of this medication
- Have a new form completed by the doctor if medication or dosage or diabetes management plan is changed
- Notify the school of changes in diabetes management health care provider
- Allow School Health Services staff to send and/or receive information related to my child's health, as they deem appropriate for the duration of this order as noted above
