

Insurance Requirements

- A **current** Certificate of Liability Insurance, naming the NHCS D as “additional insured” is required at the time you create an account in our FMX facilities system. The certificate holder should be named as follows:

**Nordonia Hills City School District
9370 Olde Eight Road
Northfield, Ohio 44067**

Minimum acceptable limits of liability should be \$1,000,000 per occurrence/ \$2,000,000 aggregate. The user shall be fully responsible for all loss or damage to District property, including property of students and employees. ***A copy of your policy does not ensure coverage for the District, and thus cannot be accepted.*** Please contact your insurance agent to obtain the proper document.

- Nordonia Athletic Boosters, Nordonia Band Aides and Nordonia Hills Preschool Parents are groups covered under the District’s existing insurance policy. **Please contact your organization’s President to obtain the most recent copy since he/she will be aware of one’s authorization to request space on behalf of your group.**
- Beginning in July 2024, all **NHCS D PTAs/PTSAs** are now covered under a separate policy held by the Nordonia Council of PTAs. Please contact the Council’s leadership for the insurance document.
- Unfortunately, we are unable to provide a copy of a Certificate of Insurance that may be on file for your group. We cannot speak for your organization with regard to sanctioned events or authorization of use. Please contact your organization’s leadership to obtain the document.
