Diversity Council Update

Mr. Gaugler reported on the status of the food service financial program since no reimbursement was going to be received for the meals served during the pandemic. Mr. Gaugler is now working with a consultant from ODE to provide the paperwork to possibly receive reimbursement for the meals that were served.

The Board questioned Mr. Gaugler regarding the payment for the buses during the pandemic. More information will be provided at a later date.

Mrs. McKinley reported on the school voucher program and the fact that Nordonia has two students who opted to get the EdChoice voucher because Ledgeview was designated an EdChoice scholarship school. A discussion ensued regarding joining the Ohio Coalition for Equity and Adequacy to preserve the district's funding at an annual cost of \$2 per student (approximately \$7,200). Mrs. McKinley will provide the Board with a list of Coalition members.

Dr. Clark provided the board with an update on his diversity committee. 24 parents are part of the group who came up with several sub-committees. This group will focus on racism and make sure the District makes our students comfortable in school and how to respond. Staff and students are involved. Denise Ward is the district's diversity consultant hired through the Summit County Educational Service Center.
