SCHOOL VISITATION

Parents and children accompanied by their parents are always welcome to visit during the school day! However, guests must follow the adopted Nordonias Hills Board Policy which states:

No visitor shall enter a school building and remain on school property without first reporting to the Main Office.

For the safety and security of your children, all visitors must use the buzzer at the front door. After being admitted, all visitors **MUST** sign in at the office and wear a visitor pass. Visitors are requested to park in the parking lot and enter in the front of the building.

You are welcome to have lunch with your child but cannot go outside or to the classroom during recess. You may bring food in for your child only during lunch.

Our teachers welcome parent visitors into the classroom. To eliminate any possible disruption, you need to contact the school principal/classroom teacher 48 hours prior to the visit to arrange for the best observation/helping time. It is our hope that you always feel free to contact your child's teacher when you have questions or concerns. Please call the office and leave a message or voice mail for the teacher to return your call at the earliest convenience. Except in extreme emergencies, teachers are not interrupted from the class.

VOLUNTEERS

Parents/Guardians who would like to volunteer at Nordonias Schools must complete the Nordonias Hills City Schools Volunteer Release form. (3120.09)

EMERGENCY AUTHORIZATION FORMS

The school must be able to contact you if there is an emergency involving your child. The District's emergency authorization form that you complete for

each of your children gives us the authority to obtain emergency treatment in case of an accident or serious illness. Please notify the office if there is any change in the information provided such as a change in address, employment, telephone numbers, or emergency contacts.

ATTENDANCE

The school day for all students begins promptly at 9:00 AM so please make sure your child is at school by 8:55 AM. Students are not to arrive before 8:40 AM. Supervision prior to that time is available through contracted child care services. **Students are tardy if they are not in their classrooms by 9:00 AM.** Upon arriving at school tardy, students are to be signed in by an accompanying adult or present a signed note stating the date and reason for tardiness. Tardiness is recorded on attendance reports, reported on the students' report cards, and becomes part of the student's permanent record.

School dismissal begins at 3:30 PM. Parents must follow the school procedures for bringing students to school and picking them up from school.

Regular school attendance is an important factor in student achievement. Unsatisfactory progress in academic achievement is often a result of frequent or prolonged pupil absence or repeated tardiness. Attendance at school is required by the laws of the State of Ohio under **House Bill 410**. To support academic success for all students, the Nordonias Hills City School District will partner with students and their families to identify and reduce barriers to regular school attendance. Our district will utilize a continuum of strategies to reduce student absence including, but not limited to:

- Notification of student absence to the parent or guardian at 5, 10, and 15 absences;
- Development and implementation of an absence intervention plan, which may include supportive services for students and families;
- Counseling;
- Parent education and parenting programs;
- Mediation;
- Intervention programs available through juvenile authorities; and
- Referral for truancy, if applicable.

The district truancy plan outlined above is in accordance with Ohio **House Bill 410**, which passed in December 2016 and became effective starting with the 2017-2018 school year.

It is important to note that all time out of school – including time missed for coming in late and early dismissals – is included in student attendance. Parents/guardians can assist by scheduling appointments before or after school, during weekend

Our Mission:
*Inspiring every student to
value learning, community
and EXCELLENCE.*

hours, or on teacher in-service days so that students can avoid reaching the new absence limits. It is important for parents/guardians to report absences to the school office, and more specifically, to the attendance phone line, each day. Submitting doctor's notes and other documentation are also imperative.

Under state law, we are required to send you notification when your child misses, with or without a legitimate excuse:

- 30 or more hours of school (or approximately 5 days)
- 60 or more hours of school (or approximately 10 days)
- 90 or more hours of school (approx. 15 days)

We will provide your child with attendance intervention strategies when he/she misses:

- 42 hours (or approximately 7 days) without a legitimate excuse

*An Absence Intervention Team will meet with you and your child when he/she misses, with or without a legitimate excuse:

- 60 or more hours of school (or approximately 10 days)

Students absent from school may not return to school to participate in after-school or evening activities on the day of their absence.

REPORTING ABSENCE - Parents are required to call the school district at 330-908-6160 and leave a message on the answering machine prior to 9:00 AM to comply with the provisions of the "Missing Children" Laws. Please call this number each day your child is absent and send a note upon your child's return.

FAMILY VACATION - The school recognizes that family vacations do not always coincide with the school calendar and, at times, students may be out of classes for this reason. ***Absences from school due to vacation count toward the 60 hours threshold as outlined in HB410.** It is requested that parents submit written notification to the principal to have their child released from school for family vacations at least five (5) days prior to leaving. Work missed due to absence for vacations will be accumulated over the period by the teacher and given to the child upon return to school. Students will have the same number of days to turn in missed work as days absent.

WHEN SHOULD YOU KEEP YOUR CHILD HOME FROM SCHOOL?

Our goal in giving you these guidelines is to reduce the spread of communicable disease at school and to promote a healthy environment for the students attending school. They were created to help you in your decision-making process as to whether to send your child to school or to keep your child at home.

Following is a list of common ailments a child may have. If your child is ill, you may want to discuss these problems with your child's pediatrician to determine if an office visit is needed.

Fever: If your child has a temperature of 100.0 degrees or over without fever reducing medication, they should remain at home. When a fever is accompanied by a sore throat, nausea, or rash, a contagious illness is suspected. Your child should remain at home until fever free for twenty-four hours without medication.

Vomiting & Diarrhea: With a single episode of vomiting or diarrhea your child should remain home. Children with watery diarrhea (loose runny stool or cannot go to the bathroom in time) should remain home for 24 hours. If diarrhea or vomiting is more than one occurrence or accompanied by a fever, keep your child home and consult your doctor.

Rashes: Rashes can be caused by many things, a few of which may be contagious. A sudden appearance of a rash over any part of the body with an unknown cause and accompanied by fever or other symptoms should be evaluated by the doctor. However, a rash caused by poison ivy/poison oak is not a reason to miss school. Consult with our school nurse to see if your child may remain in school or needs to be seen by the doctor.

Pink Eye (Conjunctivitis): If your child's eyes are mildly red and watery and no other symptoms are present, this may indicate irritation or allergy. However, if your child's eyes are markedly red (including under the eyelids) and accompanied by thick yellow or green drainage, your child may have pink eye or conjunctivitis. This condition can be caused by a virus, bacteria, or allergies - only a doctor can determine the cause. Bacterial conjunctivitis can be transmitted if a person rubs his/her infected eye and then touches another person or an object. If the uninfected person comes in contact with the bacteria and touches their eye the risk for contracting conjunctivitis increases. For this reason, your child should remain home until they have been on an antibiotic for a full 24 hours or symptoms are gone. After your child has been on an antibiotic for 24 hours, he/she may return to school.

Sore Throat With Fever: Sudden onset of a sore throat accompanied by a fever may indicate a need for a doctor visit. If the doctor's diagnosis is strep throat, your child must remain home for 24 hours after antibiotic treatment has begun. Again, these guidelines are designed to assist in your decision-making process as to whether or not to send your child to school. Your doctor will assist you to determine if your child needs to be seen at an office visit.

Our Mission:
*Inspiring every student to
value learning, community
and EXCELLENCE.*

Injuries such as broken arms, legs, etc.

If your child suffers from an injury such as a broken arm, leg, etc., please notify the building principal, so that we can discuss any supports which may be needed for your child to be successful in the classroom.

MAKEUP WORK - If a student is absent for two consecutive days, you should contact the teacher for makeup work. You may also request makeup work when you call in your child's absence. Please request assignments in the morning for pick up at the end of the day. It is the responsibility of the student to complete and return work after being absent. Students will have the same number of days to turn in missed work as days absent.

CHANGE FROM STANDARD ROUTINE SCHOOL CLOSING - Our district promotes student safety first, and non-interruption of their education second. Due to inclement weather or in the case of an emergency, the start of school may be canceled or delayed, or students may be dismissed before the end of the school day. Please listen to the local radio and TV stations and do not call school to see if there is a change in the school schedule.

1. **TV CHANNELS** 3, 5, 8, 19, 23, 43
2. **RADIO STATIONS** WGAR FM 99.5

All children who normally ride the bus will be bussed to their regular destination. No student will leave the school unless school personnel know who they are going with, and where they are going.

In case of severe weather, PLEASE refrain from driving to school to get your child. In general, if schools are closed, all after school activities, including athletic events and practices, will be canceled.

The district may employ a late start due to adverse weather conditions or other emergencies. This means the school will begin exactly **two hours later** at 11:00 am. Bus routes would then be on a two-hour delay. There is no recess on a 2 hour delay day and AM Kindergarten is cancelled.

TRANSPORTATION
330-468-4710 - Transportation

Students are expected to ride their assigned bus. Bus stops are approved by the Board of Education on an annual basis. The Transportation Supervisor must review subsequent, permanent changes, including day care arrangements. Proof of residency will be required for change of address. Forms to request these changes are available in the school office and Transportation Department. Please allow one (1)

week for processing changes. You will be notified when your request is approved or disapproved. Please notify the principal in writing if you need to make other transportation arrangements in an emergency situation.

CONFIDENTIALITY

Each student's records will be kept in a confidential file located at the student's school office. The information in a student's record file will be available for review only by the parents or legal guardian of a student, adult student, and those authorized by the federal and board policy guidelines. Both custodial and non-custodial parents have the right to review their child's official student records and related information. A meeting to review records must be scheduled in advance. State and federal law permits access by school officials who have a legitimate educational purpose. School officials for the purpose of the Board's policy include Board members, those in administrative or supervisory positions, teachers and those under contract as instructors, substitutes, or those employed by the Board or under contract to the Board to perform certain, special tasks. An individual will have "legitimate educational purpose" if the record is necessary in order for the school official/employee to perform an administrative, supervisory, or instructional task or to perform a service or benefit for the student or the student's family.

DIRECTORY INFORMATION (8330 F9)

Each year the District will provide public notices to students and their parents of its intent to make available, upon request, certain information known as "directory information." The Board designates as student "directory information": a student's name, address, telephone number, date and place of birth, major field of study, participation in officially-recognized activities and sports, height and weight (if a member of an athletic team), dates of attendance, date of graduation, awards received, honor rolls, scholarships, telephone numbers only for inclusion in school or PTA directories.

The Board will make the above information available upon a legitimate request unless a parent, guardian, or adult student notifies the School in writing within 10 days from the date of this notification that s/he will not permit distribution of any or all such information.

Ohio Revised Code 3319.321 states:

No person shall release, or permit access to, the names or other personally identifiable information concerning and students attending a public school to any person or group for use in a profit-making plan or activity. Any parent or student who believes that the School District has failed to comply with the Family Education Rights and Privacy Act, may file a complaint directly with the Family Education Rights and Privacy Act Office, Department of Education, 330

Independence Avenue, S.W., Washington, D.C. 20201.

No person shall release, or permit access to, personally identifiable information other than directory information concerning any student attending a public school.....without the written consent of the parent, guardian or custodian of each student who is less than eighteen years of age, or without the written consent of each such student who is eighteen years of age or older.

CHILD CUSTODY – State law requires parents to provide the school with a copy of the most recent custody papers issued by the court. In the case of court appointed custody, the parent in custody as defined in statute ORC 3313.64, shall inform the school of any limitations in the right of the non-custodial parent. **If such notification has not been given, the school presumes that the student may be released into the care of the other parent.**

Both custodial and non-custodial parents have the right to review their child’s official student records and related information. A meeting to review records must be scheduled in advance.

ADMINISTRATION OF MEDICATION

If medication, including over-the-counter drugs, is to be administered during school hours, it needs to be done in accordance with the Board of Education Policy:

1. Before any prescribed medication (i.e., a drug) or treatment may be administered to any student during school hours, the Board shall require a written statement from a licensed health professional authorized to prescribe drugs (“prescriber”) accompanied by the written authorization of the parent (Form 5330-F1-Table II & III). Before any non-prescribed medication or treatment may be administered, the Board shall require the prior written consent of the parent along with a waiver of liability of the District for the administration of the medication (Form 5330 F1-Table I).
2. Students shall be permitted to carry and use, as necessary, an asthma inhaler, provided the student has prior written permission from his/her parent and physician and has submitted Form 5330 F1.
3. Students shall be permitted to carry and use, as necessary, an epinephrine auto-injector to treat anaphylaxis, provided the student has prior written approval from the prescriber of the medication and his/her parent/guardian (Form 5330 F1).
4. Medication in original containers required (for prescriptions ask pharmacist for a separate container with a label, they will often divide the prescription for you.) And the label must include:
 - 1 Student’s Name

- 2 Medication Name
- 3 Dosage of Medication
5. Times or Intervals of Administration
6. New forms must be submitted at the beginning of each school year.
7. Students with specific health care needs should deliver written notice about such needs along with physician documentation, to the school office.

CHILD ABUSE REPORTING

School personnel are required by law to report suspected child abuse or neglect to the Summit County Children Services Board and cooperate with law enforcement officials.

INTERNET

Internet access is available in all buildings to all students, staff and community members. However, per District policy, all users must sign the “Acceptable Use Policy” and adhere to its requirements. These signed policies must be on file in the main office in each building.

Fines are charged for damage considered to be excessive or beyond normal wear. Students are responsible for all Board-owned materials issued to them and will be charged for lost or stolen items at replacement cost.

GRADING AND REPORTING TO PARENTS

REPORT CARDS - A vital part of our educational program is the home/school communication concerning the child's progress in school. Each nine-week reporting period, parents are updated on the progress of students through the use of a report card. Marks received will indicate your child's academic progress, work habits, and social skills. Mid-period reports will be sent home with students who are experiencing difficulties during any of the four marking periods. There will be a form for your signature. Please return the form to confirm you have received the mid-period report.

CONFERENCES Time is scheduled for parent conferences to provide additional means of communicating student progress. Parents are always welcome to initiate a conference with the teacher or principal by contacting the school office for an appointment.

PROMOTION/RETENTION/ASSIGNMENT

At the end of the year, the teacher will carefully evaluate the progress of each individual child. At that time, a determination is made to promote, retain, or assign the student for the coming year. Board Policy 5410: Assigns the principal the final responsibility for determining promotion/retention/placement of each student.

Promotion - For most students, promotion from year to year is the norm. Promotion is based on proficiency of the material set forth in the Graded Courses of Study. No conditional promotions exist.

Assignment - The assigned students are those who do not demonstrate proficiency of subject matter as determined by the Graded Course of Study, are determined to be over age physically and/or emotionally for the current grade level, who are working to their level of potential ability, or may not benefit from another year in the same grade.

Retention - There is no exact criteria that defines retention. The decision to retain is based upon what will be beneficial to the student.

COMMUNICATION DEVICES AND PERSONAL ELECTRONIC EQUIPMENT

Communication Devices and Personal Electronic Equipment: While Nordon Hills recognize that rapidly changing technology, and our ability to access it, has become an integral part of our lives, its use during the regular hours of school operation via communication devices, videotaping devices, cameras, personal electronic equipment (i.e. laser

pointers, pagers, cellular phones, iPods, mp3, radios, CD players, headsets, televisions, electronic games, digital players, etc) can pose a significant disruption to the educational process. Students are not permitted to have these devices at school. Further, these devices may be confiscated from any student found to be in possession of them.

STUDENT VALUABLES

Students should not bring items of value to school. Items such as jewelry, expensive clothing, electronic equipment, and the like, are tempting targets for theft and extortion. The school is not liable for any loss or damage to personal valuables.

FIRE, TORNADO AND SAFETY DRILLS

Student safety is the responsibility of both students and staff. Staff members are familiar with emergency procedures such as evacuation procedures, fire and tornado drills, safety drills in the event of terrorist or other violent attack, and accident reporting procedures. If a student is aware of any dangerous situation or accident, s/he must notify a staff person immediately.

State law requires all students have an emergency medical authorization form completed/signed by the parent or guardian on file in the school office.

These drills are held periodically and are conducted for the safety of students. Drills are conducted as directed by the teacher. Students are not permitted to talk during drills. Safety depends on rapid and proper response to directions. False fire alarms are serious and can result in suspension and legal prosecution. In the event of any safety drill, all visitors and volunteers are advised to follow the directions of teachers.

FREE AND REDUCED PRICED MEALS

Nordon Hills participates in the free and reduced priced lunch program. Students who may be eligible may pick up an application in the Main Office or parents may stop by or call the school for an application.

TREATS AT SCHOOL

Due to food allergies amongst students, families **may not** bring in any food products, except for personal lunches and Kindergarten snacks. This includes all occasions, birthdays, holidays, etc. Students are not permitted to bring "energy drinks" to school due to the health concerns involved. Students are encouraged to bring water, juice or milk as a lunch beverage.

DRESS CODE

In general, school dress must be such that it ensures the health, safety, and welfare of the members of the student body, enhances a positive image of our students, and does not disrupt the classroom atmosphere. In keeping with the above statement, students may not wear the following:

Our Mission:
*Inspiring every student to
value learning, community
and EXCELLENCE.*

- short shorts
- bike shorts or stretch shorts
- half shirts, net shirts or shirts which reveal the midriff
- clothes that reveal underwear
- hats or head coverings (indoors)

Acceptable- barrettes, headbands

Unacceptable- bandannas, sweat bands, hoods

- clothing with obscene, vulgar, violent, or suggestive statements or symbols.
- clothing that promotes or advertises alcohol or drugs.
- face paint
- spiked jewelry
- slippers, shoes with wheels

School personnel reserves the right to make the final determination about acceptability of a student's attire.

STUDENT CODE OF CONDUCT

Ohio law requires that each school have a code of conduct that spells out those infractions or violations that are serious enough to warrant the possibility of suspension or expulsion. The Nordon Hills Board of Education has adopted the following code.

Although not all acts of misconduct can be itemized, the following is an enumeration of the main areas of misconduct which will lead to disciplinary actions. *These actions may take the form of loss of student privileges, detention, parent conferences, restitution, emergency removal, suspension, or expulsion.* Any student serving an out of school suspension may not take part in either after school or evening activities during the time of suspension. Students may be able to make up class work missed during their suspension and will have the same number of days to turn in missed work as days missed due to the suspension.

DISRUPTION OF SCHOOL: A student shall not by his/her actions, dress, or appearance disrupt the normal operation of the school. The student shall not engage in any act that may be harmful to the health, welfare, and safety of himself/herself and others.

VANDALISM AND/OR DESTRUCTION OF PROPERTY: At no time shall students cause or attempt to cause damage to school property or to private property on school grounds or during school activities conducted on or off school grounds.

PHYSICAL VIOLENCE: No student shall hit, kick, punch, push, or knee another person. No student shall be involved in a fight.

HORSEPLAY: Horseplay is defined as playfully hitting, touching, bumping, or having purposeful contact with another student. Horseplay also includes playfully taking things from other students (i.e. books, food, etc.). While horseplay is good natured at its root, horseplay often escalates and causes injury, ill

feelings or fighting. In an effort to maintain a safe and orderly learning environment, horseplay is strictly forbidden. Students involved in horseplay will be subject to disciplinary action. Students must always remember to respect the space and property of others.

DANGEROUS OBJECTS: No student shall bring, possess, give, throw, or hide any dangerous objects capable of injuring himself/herself or others. Guns, knives, matches, lighters, firecrackers, stones, snowballs, and other similar objects are included.

SMOKING: No student shall possess or use tobacco on school property.

DRUG, ALCOHOL AND TOBACCO: The Board of Education prohibits the use, possession, concealment or distribution of any drug, drug paraphernalia, alcohol or tobacco products on any Nordon Hills City Schools property or district-sponsored event. It further establishes a drug free zone within 1000 feet of any school facility.

PROFANITY: No student shall swear, make racial remarks, use profane or abusive language or gestures.

INSUBORDINATION: No student shall refuse to comply with a reasonable request or follow the directions of teachers, bus drivers, student teachers, substitute teachers, teachers' aides, principal, cafeteria workers, custodians or other authorized personnel during the period of time when the student is properly under the authority of school personnel.

DISRESPECT: No student shall insult or in any other manner abuse verbally or in writing any member of the school staff or student body.

THEFT: No student shall take or acquire the property of others without consent.

DISTRIBUTION & SALE OF UNAUTHORIZED MATERIALS: No student shall distribute or sell unauthorized materials on school property.

FALSE ALARMS: No student shall give a false fire, bomb, or other emergency threat.

REPEATED TRUANCY & TARDINESS: No student shall be truant or repeatedly tardy to school.

EXTORTION: No student shall request money or other articles of value with the threat of force.

ARSON: No student shall be involved in the setting of a fire while on Board of Education property.

LEAVING SCHOOL PROPERTY: No student shall

leave school during the school day for any reason without permission from the school office.

GANGS, AND GANG ACTIVITIES: Any student involved in gang membership, gang activities, and/or possessing or displaying gang insignias or paraphernalia will be strictly disciplined. For the purpose of this policy, a gang is an organization, association, or group of (3) or more people, using a common name or one or more common identifying signs, symbols, or colors, whose members individually or collectively engage in criminal activity.

COMPLICITY: No student shall encourage others to violate the Nordon Hills School Code of Discipline.

FIELD TRIPS: No student shall violate the Nordon Hills Code of Conduct while participating in any school sponsored activity off school grounds. This would include all field trips.

CONDUCT ON THE SCHOOL BUS: Violation of the following rules may result in the loss of bus service. The bus driver has full authority to enforce the rules and will make necessary contact with the parents and school principal regarding violations. The Board of Education has authorized the installation of video cameras on school buses and tapes may be used as evidence of misbehavior. Bus citations are issued to students when violations occur. Parents will be notified in writing of any loss of bus privileges because of pupil misconduct and will be expected to provide the transportation of that student to and from school during that period of time.

SCHOOL BUS SAFE-RIDING RULES:

1. Pupils shall arrive at the bus stop 5 minutes before the bus is scheduled to arrive. Pupils must wait in the location clear of traffic and away from the bus stop.
2. Behavior at school bus stops must not threaten life, limb, or property of any individual.

12. Pupils must leave or board the bus at locations to which they have been assigned unless they have

parental or administrative authorization to do otherwise.

13. Pupils must not put their head or arms out of the bus windows.

CAFETERIA AND PLAYGROUND: All students must be respectful of adult supervisors and follow school rules during lunch and recess.

HARASSMENT: No student shall harass, haze, cause harm, or threaten to cause harm to another person. This includes "picking on", humiliating, intimidating and tormenting others.

RACIAL/ETHNIC HARASSMENT: The Board of Education does not permit nor will it tolerate racial/ethnic harassment of its employees or students. Racial and Ethnic Harassment includes, but is not limited to any physical, written or verbal intimidation or abuse of a Board employee, student, or parent based on their race or ethnic background. All employees and students will be subject to appropriate corrective and disciplinary action, for any confirmed and proven act of racial/ethnic harassment they may commit in violation of this policy.

SEXUAL HARASSMENT: The Board of Education does not permit nor will it tolerate sexual harassment of its employees, parents or students. A “social learning intervention” is a structured activity, guided by an adult, which causes the student to think about his or her behavior and impact on others. General housekeeping inspection of school property may be conducted with reasonable notice. Student lockers

are the property of the District and students have no reasonable expectation of privacy in their contents or in the contents of any other District property including desks or other containers. School authorities may conduct random searches of the lockers and their contents at any time without announcement. Unannounced and random canine searches may also be conducted.

HAZING: Hazing activities are prohibited. No administrator, faculty member, or other employee shall encourage, permit, condone, or tolerate hazing. No student shall plan, encourage, or engage in any hazing. Hazing is defined as doing any act or coercing another, including the victim, to do any act of initiation into any student, or other, organization that causes, or creates a substantial risk of causing, mental or physical harm to any person. Permission, consent, or assumption of risk by an individual subjected to hazing does not lessen the prohibition contained in this policy.

All District employees are required to be alert to possible situations, circumstances or events which might include hazing. If an employee discovers that hazing has, will or might occur, the students involved shall be informed that hazing is prohibited and shall be directed not to engage in hazing. All hazing incidents shall be reported immediately to the Superintendent.

This policy shall be distributed to all students and District employees. Failure to follow this policy could result in discipline and subject the violator to civil and criminal penalties.

Anaphylaxis Treatment Notification to Parents

Dear Parent/Guardian,

On April 21, 2014, Governor Kasich signed new legislation authorizing school districts to obtain epinephrine autoinjectors for trained personnel to use to provide emergency medical aid to persons suffering from an anaphylactic reaction at school (ORC 3313.7110 Procurement of epinephrine autoinjectors for public schools).

Anaphylaxis is a rapid, severe allergic response triggered by insect stings, foods, medications, latex materials, exercise, or in rare cases by unknown causes. This is a life-threatening allergic condition, requiring immediate treatment. Administering epinephrine to students during a medical emergency may help to insure the student's health and safety at school. Through our partnership with Akron Children's Hospital, School Health Services, Nordon Hills City School District has adopted a policy for standing medical orders and protocol to provide life-saving epinephrine to students who are in need of such treatment.

This policy states that a licensed Registered Nurse or trained staff may administer epinephrine in the form of an epinephrine auto-injector during a severe, life-threatening allergic reaction. The epinephrine auto-injector rapidly delivers a pre-measured, sterile, single dose of epinephrine by direct injection through the skin. Upon administration, Emergency Medical Services (911) will be called immediately for further assistance and treatment.

Nordon Hills City School District's process for the development of individualized health plans and allergy/anaphylaxis emergency action plans for every student with an identified allergy remains unchanged. Therefore, your school's nursing staff must be notified of all your child's previously known and/or any newly discovered allergens. Each school year, please continue to indicate the type of allergen on your child's student registration forms, and plan to meet with the school nursing staff to discuss further. All

future notifications regarding this policy will be included in the **Nordonia Hills City School District Policy & Procedure Manual** and the Student Handbook; both available on the Nordonia website.
