- Register for an account at [www.commonapp.org](http://www.commonapp.org)
- Complete/input all information for all sections and **sign the FERPA waiver**  
\*Please Note: *Schools ask for a Counselor Rec., this is not the same as requesting a letter of rec. I complete/send a **Common App Counselor Rec. & School Report automatically for all Common Apps you submit.***
- Check for the following for each college: application fee, deadline, essay, # of required/optional recommendations, separate scholarship or honors applications required, etc.

### **\*\*\*PLEASE BE SURE TO SUBMIT YOUR APPLICATION BEFORE MOVING TO NEXT STEPS\*\*\***

If you need or want to request a letter of recommendation, you will need to move to Step 2 before you submit your application to the college/university.

### STEP 2: Requesting High School Materials (completed through SchoolLinks - login through Clever)

#### **College Application Manager in SchoolLinks:**

Using the “**Colleges**” tab on the left hand side of your screen, select “**College Applications**” from the list.

## Scholarship/Financial Aid Resources

### **FAFSA (Free Application for Federal Student Aid)**

All students/families should fill out the FAFSA (even if you don't think you'll qualify for grants) as soon as possible after it becomes available in **December this year**. You need to fill out the FAFSA to be eligible for federal financial aid but also, some schools require you to have a FAFSA on file just to receive their scholarships. Also, you never know when your financial situation may change between now and when you start college. It is best to have this application on file just in case.

On or as soon as possible in December, go to: [fafsa.gov](https://fafsa.gov)

If you need assistance, you may contact the Financial Aid Dept. at any college/university you are applying to. Also, plan on attending the info. meeting at NHS Monday, November 6th.

### **CSS Profile**

Some colleges and universities use the CSS Profile to award financial aid. This is an online application used by colleges, universities and scholarship programs to award non-federal financial aid such as grants and scholarships. The CSS Profile is a separate application from the FAFSA and should be completed in addition to the FAFSA not in place of the FAFSA. The application is available October 1st each year. <https://cssprofile.collegeboard.org/>

### **Merit Scholarships – From Colleges/Universities You're Applying To**

Merit scholarships are often related to academic performance, but can also be given to a candidate displaying artistic or athletic excellence, or even a combination of both. While all academic scholarships are merit scholarships, not all merit scholarships are academic.

Often all you have to do is apply to the school to be considered for merit scholarships to attend that school. You'll automatically be considered (typically GPA, test scores on ACT/SAT, and/or class rank) once you submit your college application. However, some schools do require an additional application. Do your research to find out and also be mindful of deadlines!

Also, make sure you check the college/university website directly for any additional scholarships they offer that require a separate application and deadline. Many schools advertise additional scholarships in this way.

### **Website Scholarships – From Colleges/Universities You're Applying To**

You should carefully research the website from all schools you are applying to. They may have additional scholarships listed that you can apply for separately.

### **Local Scholarships – Nordonía Students Only**

Local scholarships will be introduced to all current Nordonía High School seniors during the month of February. Students will be able to access the application materials online and must submit all printed copies to the Guidance Office. More information and deadlines to come.

### **Senior Newsletter at NHS**

Any scholarship opportunities that are sent our way will be posted each month in the newsletter.

## Scholarship/Financial Aid Resources - Continued

### Private Scholarship Resources

Students may also find it valuable to research any private scholarships that may be available to them through organizations/agencies that they or their parents are members. The websites listed below can also be valuable tools for searching for private scholarships that they may be eligible to receive. Students should follow all directions and deadlines to apply for each scholarship that they find offered privately outside of schools. Many of these websites allow you to enter information about yourself and then pair you with scholarships that you may be eligible to receive, which can be a huge time saver as you go through this process.

### *3 Tips for Making the Most Out of Your College Fair Visit*

*Students and their families should prepare a few things before coming to a college fair.*

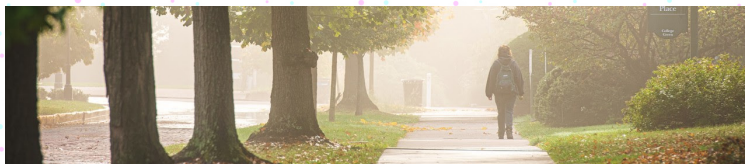

*Here are a three things we recommend that you do before your visit:*

- 1. Review the list of attending schools to narrow it down, for example: Big or small? Public or private?**
- 2. Prepare a list of questions that will help you with your decision:**
  - What are the most popular majors?
  - How much is tuition?
  - Are scholarships available?
  - What is the ratio of professors to students?
  - What are the student housing options?
  - What is student life like during the week?
  - During the weekend?
- 3. Pre-print address labels that include your name, address, telephone number, high school, and graduation year to stick on request for information cards to eliminate having to re-write your name and address at every table you visit.**

#### ADMISSION PROCESS

UD's admission process is streamlined by design — from our free application to automatic scholarship consideration. Please encourage your students to apply by our Nov. 1 early action deadline. This deadline is non-binding, but will allow students to secure their acceptances early.

#### PREVIEW DAYS

Students and their families are invited to join us for Preview Days on Oct. 8, Oct. 22 and Nov. 5. Guests will explore UD's academic programs, meet faculty, staff and current students, tour campus and more.

#### TEST-OPTIONAL ADMISSION

Our test-optional admission gives students more control over their application. Students can choose whether to include test scores, or emphasize their school record and other achievements.

#### PARENT CO-PILOT

Parents can help their future Flyers take off. During our virtual Parent Co-Pilot sessions, we'll introduce families to UD, guide them through the admission and financial aid processes, and answer questions.

Registration is open now for the sessions on Sept. 18, Oct. 16 and Dec. 4
