#### A. PRESIDENT'S REPORT

1. Roll Call

#### B. BOARD DISCUSSION ITEMS

State of the Schools review and any other agenda related items.

The Board debriefed on the State of the Schools that was held on October 10, 2018 at the high school google lab. The consensus of the Board was the overall format was good and the administrators did a great job of presenting information regarding their school. A discussion ensued regarding how to get more people to attend these types of meetings. Some suggestions made: provide snacks and beverages, reach out to the PTAs to bring people, or provide video clips of some of the activities that the principals are discussing (for example, the choir, band, athletics, art displays, etc. to make the presentations come to life for those in attendance). The Board decided to schedule next year's meeting for October 9, 2019. Mr. Berchtold will make contact with Greenwood Village Rec Center as a possible site for the meeting.

#### C. ADJOURNMENT
