The Ohio Private College Admission Directors (OPCAD) believes in the dignity, worth, and potential of all human beings and works to eliminate any type of bias from the college admission and financial aid processes.

We believe in the importance of ethical practices in the admission and financial aid processes by all postsecondary institutions. We endorse the basic philosophy of the National Association of College Admission Counseling (NACAC), its Code of Ethics, and its Statement of Principles of Good Practice.

Be it resolved, therefore, that all Ohio colleges and universities state clearly in their letter of acceptance to full-time candidates for admission that they subscribe to the NACAC Statement of Students’ Rights and Responsibilities, and to the NACAC Statement of Principles of Good Practice.
Why Independent Colleges?

Can I afford it?

Graduating on time at an independent institution can mean less cost long term.

Will I graduate in four years?

Students at independent colleges graduate in four years at much higher rates than their public counterparts.

Is college for you?

No matter the ACT score, students have more success at Ohio’s independent institutions.

Why is there a difference in price between public and private institutions?

The cost of providing higher education is generally the same at independent colleges and universities as at public universities. For example, both types of institutions incur costs associated with building and maintaining classrooms, residence halls, computer facilities and libraries; paying faculty salaries; and providing career and counseling services. However, private institutions charge a higher price, or tuition, because they do not receive an instructional subsidy from the state.

Complete the FAFSA.

Ohio’s independent colleges and universities strongly recommend prospective students complete the Free Application for Federal Student Aid (FAFSA). To qualify for some state and federal grant and loan programs, students should complete the FAFSA as soon after October 1 as possible. Families can complete it online at: http://www.fafsa.gov or obtain copies of the form by contacting a college financial aid office. Some colleges and universities also require a supplemental or institutional financial aid form. Students should contact the college financial aid offices to learn which financial aid forms are required and the deadlines for submission. See the video tutorial at https://www.finaid.ucsb.edu/fafsasimplification/.

Apply to colleges that best fit personal needs, regardless of price.

The ability to pay for a college education is likely to be an important factor in selecting a college or university. However, the price of a particular institution should not prevent a student from applying to the schools of his or her choice. Every student should apply to the colleges that best suit his or her academic, social and personal needs, regardless of the price, because financial aid can make it affordable to attend.

A variety of financial aid is available.

College financial aid programs help families meet the costs of education beyond their demonstrated ability to pay. Institutional need-based and non-need-based financial aid (scholarships, merit, athletic, leadership awards, etc.) combined with state and federal scholarships, grants, loans and work-study programs make up a financial aid package and help defray the cost of attending college. The college will make every effort to compile a suitable financial aid package for the student and family so that the price of a college education does not become an overriding factor in choosing an institution.

Financial Aid
Worried about financial aid?

Independent institutions give out $1.4 billion in school-based grants. Just ask their financial aid counselors for more information!

Student aid grants by source at AICUO members, 2016–17

Financial Aid at Ohio’s Independent Colleges

In AY 2016-2017, 96% of full-time, first-time freshmen entering AICUO member campuses received financial aid, averaging $25,927.

Aid Eligibility

Generally, a student’s demonstrated need is equal to the difference between the Expected Family Contribution (EFC) and the total cost of education (which includes tuition and fees, room and board or off-campus living expenses, and books). All schools work to award aid to meet the gap between the cost of attendance and EFC, but not all have the same types or amounts of aid available. EFC does not change from school to school, but demonstrated need will.

Financial Aid Step By Step

Step 1: Complete the Free Application for Federal Student Aid (FAFSA) at www.fafsa.gov. Be sure to check that you are interested in Federal Work Study to gain eligibility for aid programs that require you at least to consider this form of aid. See the video tutorial at https://www.finaid.ucsb.edu/fasfasimplification/

Step 2: Complete the College Scholarship Services (CSS) Financial Aid PROFILE at https://cssprofile.collegeboard.org, if required by the schools to which you are applying.

Step 3: Receive and review your Student Aid Report (SAR) from the U.S. Department of Education, outlining your Expected Family Contribution (EFC), which is the figure that determines financial aid eligibility.

Step 4: Receive and review financial aid award letters from the schools you listed on your FAFSA. All schools strive to award aid to meet the gap between the cost of attendance and your EFC, but not all have the same types or amounts of aid available.

Step 5: Accept the financial aid award offered by the school you plan to attend and notify other schools that you decide not to attend so that they can use their aid dollars for other interested students.

Step 6: Let your school know if you receive outside scholarships and grants. You can search for local scholarships through employers, government and community organizations, or by using online scholarship databases.

Step 7: Complete any forms required to secure the aid awarded by your school.
Ohio Financial Aid

In the last few years, there have been significant changes in the state of Ohio’s student financial aid programs, and there may be more coming in the near future. Here is a list of the state-funded student aid programs for the 2018-19 academic year. For more information about state of Ohio student aid, please contact the Office of Financial Aid at the Ohio Department of Higher Education, toll-free at 1-800-233-6734 or on the web at www.ohiohighered.org/sgs.

Ohio College Opportunity Grant (OCOG)
OCOG is a need-based aid program for Ohio resident undergraduates. Eligibility for the award is based on each applicant’s Estimated Family Contribution (EFC), a figure determined by data each student submits in the Free Application for Federal Student Aid (FAFSA). To be eligible for an OCOG award, an Ohio resident student must have an EFC of $2,190 or less and a family income of $96,000 or less, and attend an Ohio independent or public college. The annual OCOG award for each qualifying student in 2018-19 is $3,000 for full-time study at nearly all independent colleges; $2,250 for three-quarter-time study; $1,500 for half-time study; and $768 for one-quarter-time study. More information, including up-to-date award levels, is available at any independent-college financial aid office.

OTTA College Savings Program
The Ohio Tuition Trust Authority (OTTA) is a state agency created by the Ohio General Assembly in 1989 to promote savings for higher education. Through its CollegeAdvantage 529 Savings Plan, OTTA offers several college savings options. The market-based funds are managed by leading investment firms. Families can choose to participate in all funds. Investments may be applied at any accredited college or university in Ohio or the country. Call 1-800-AFFORD-IT for more information, or visit OTTA's Web site at: www.collegeadvantage.com.

Additionally, Ohio residents may deduct up to $4,000 from their Ohio taxable income per year per child made to any of these savings programs. Contributions above $4,000 may be carried forward to future years until fully deducted. Qualified withdrawals are exempt from State of Ohio and federal income tax.

Ohio Safety Officers College Memorial Fund
This program provides tuition assistance to the children and spouses of Ohio peace officers, firefighters and other safety officers, who are killed in the line of duty. Recipients may enroll for full- or part-time study at any participating Ohio postsecondary institution. Awards at independent colleges in 2018-19 will range up to $7,044 per academic year.

Ohio National Guard Scholarship
Ohio residents who enlist with the Ohio Army or Air National Guard and meet eligibility requirements may qualify for this program. At an independent college, the scholarship will pay up to 92% of the average state university tuition, in addition to GI Bill benefits. Contact the Ohio Army National Guard at 1-888-644-8273, or the Ohio Air National Guard at 1-800-708-4068 for more information.

Choose Ohio First Scholarships
The Choose Ohio First Scholarship Program supports increased higher education participation and success of Ohio undergraduate students majoring in science, technology, engineering, mathematics, or medicine and, in so doing, advances the economic growth of each region of the state. Colleges and universities, both public and independent, working both alone and collaboratively, compete for funds from the state to offer awards to students at their institutions. Only those campuses and collaborations that win the competition may make Choose Ohio First awards, and these grants may be in only one or a few sub-areas.

For information on scholarship eligibility at a specific campus, please contact the chief academic officer or financial aid office.

Ohio War Orphans Scholarship
The Ohio War Orphans Scholarship provides tuition assistance for children of deceased or severely disabled Ohio veterans, who served in the armed forces during a period of declared war or conflict. A student must be enrolled for full-time undergraduate study at an eligible Ohio college or university and be an Ohio resident under the age of 25. In 2018-19, annual awards at independent colleges range up to $5,112. Applications are available from the Ohio Department of Higher Education State Grants and Scholarships Department, high school guidance offices, veterans services offices and college financial aid offices.

Nurse Education Assistance Loan Program (NEALP)
The NEALP provides need-based aid to Ohio students enrolled at least half time in an approved Ohio registered nursing or nurse instructor education program. The maximum award is $1,500 per year for up to four years of study to become a registered nurse (RN). A recipient, who conducts clinical practice in Ohio upon graduation, may be eligible for loan cancellation at a rate of 20% per year.
Federal Financial Aid

(*Information accurate as of publication date August 2018. For updates, contact the financial aid office at your campus.)

To determine your eligibility for federal student aid programs, you must:

- Complete the FAFSA
- Be a U.S. citizen or eligible non-citizen
- Have a valid Social Security Number
- Have financial need (except for some loan programs)
- Have a high school diploma or GED
- Demonstrate satisfactory academic progress
- Register with the selective service, if required
- Sign a statement of educational purpose and a certification statement on overpayment and default (both found on the FAFSA)

Federal Direct Loans
Subsidized or Unsubsidized
To receive a federal Stafford Subsidized Direct Loan, the student must have financial need. Under this program, the federal government pays the interest on the loan during the time the student is attending school and during the six-month grace period following graduation. For the Unsubsidized Stafford Direct Loan program, which offers loans that extend beyond a student’s calculated need, interest accrues when the loan is disbursed. The student may pay this interest as it becomes due, or defer payment until graduation, when the interest is capitalized as part of the loan. Under these programs, a dependent student may borrow up to a total of $5,500 from both these programs for the first year of study. These loans have a fixed interest rate of 5.045%. Your campus financial aid office will provide details on the steps that need to be taken.

Yellow Ribbon Program
The Yellow Ribbon GI Education Enhancement Program (Yellow Ribbon Program) is a provision of the Post-9/11 Veterans Educational Assistance Act of 2008. This program allows institutions of higher learning (degree granting institutions) in the United States to voluntarily enter into an agreement with Veterans Affairs (VA) to fund tuition expenses that exceed the highest public, in-state undergraduate tuition rate. The institution can contribute up to 50% of those expenses and the VA will match the same amount as the institution. For more information on this program, visit the U.S. Department of Veteran Affairs Web site at: http://www.benefits.va.gov/gibill/yellow_ribbon.asp

Pell Grant
The amount of this need-based award depends on an undergraduate student’s Expected Family Contribution (EFC), cost of attendance, and whether the student is attending full- or part-time. The maximum Pell Grant for the 2018-19 academic year is $6,095. Please see your campus financial aid office for updated levels.

Federal Supplemental Education Opportunity Grant (FSEOG)
The FSEOG is for undergraduate Pell recipients, who have exceptional financial need, as determined by the institution. The grant may be up to $4,000 depending on when the student applies and the level of financial need.

Federal Work-Study
This program provides jobs for undergraduate and graduate students with financial need. It encourages community service work and work related to a student’s course of study. The salary is at least the current federal minimum wage.

Parent Loan for Undergraduate Students (PLUS)
The PLUS loan is a financial aid resource available to all families regardless of their income. The loan is made directly to the parents and permits them to borrow up to the cost of attendance minus any financial aid received. The interest rate for loans for the 2018-19 year is 7.595%. Repayment usually begins within 60 days after receipt of the funds. Applications are available at campus financial aid offices.
Federal Financial Aid & IRS-Related Information

Tuition and fees paid with tax-free grants, scholarships and employer education assistance are not eligible for either of the following two tax credits; expenses paid with loans are eligible. The credits are available for joint filers with an adjusted gross income (AGI) below $180,000 and for single filers who have an AGI of less than $90,000.

**The American Opportunity Tax Credit**
Parents of dependent students, or independent students, may claim a tax credit of up to $2,500 per eligible student with qualified tuition and fees expenses. Forty percent of this credit may be refundable for the first four years of college for degree-seeking students.

**Lifetime Learning Tax Credit**
This credit applies to tuition and fees paid for undergraduate, graduate and continuing education classes. A family may claim a tax credit of 20% for the first $10,000 in tuition and fees (less grants, scholarships and tax-free tuition benefits), resulting in a maximum tax credit of $2,000. This credit is available on a tax-return basis, regardless of the number of students enrolled in postsecondary course work. The tax filer may not claim both the The American Opportunity Tax Credit and the Lifetime Learning Tax Credit during the same academic year for the same student.

**Individual Retirement Accounts (IRAs)**

- **Education Savings Account** - Taxpayers may invest, after taxes, up to $2,000 per year per child under the age of 18. Earnings accumulate tax free, and no taxes will be due upon withdrawal if the money is used for educational expenses – elementary, secondary or higher education.

- **Roth IRA** – An after-tax savings option, a single taxpayer may contribute up to a maximum of $2,000 per year, and joint filers may contribute up to $4,000 per year to a Roth IRA. (These maximum contributions are reduced by amounts contributed to a deductible IRA). Earnings accumulate tax free, and contributions can continue beyond age 70. Withdrawals for educational expenses are tax free if the distributions are made at least five years after the Roth IRA was established and the taxpayer is age 59 or older.

**Penalty-Free IRA Withdrawals** – Taxpayers may withdraw funds from an IRA, without penalty, for their own higher educational expenses or those of a spouse, child or grandchild. Withdrawals can be used to pay for tuition, fees, books, room and board if the student is enrolled at least half time.

**Student Loan Interest Deduction**
A student or parent may take a tax deduction for interest paid on student loans. The deduction is available even if the taxpayer does not itemize other deductions. The maximum deduction is $4,000. It is phased out for joint filers with an adjusted gross income between $130,000 and $160,000, and single filers with an adjusted gross income between $65,000 and $80,000.

Contact the Internal Revenue Service (IRS), at 1-800-TAX-FORM to receive a copy of Publication 970, Tax Benefits for Higher Education, which explains these benefits and rules in detail. It is also available online at:
