Beginning with the second semester of a student's junior year and prior to March 30 of their senior year, a student will be permitted four (4) visitation days to participate in career exploration opportunities and/or college and technical school visits. After March 30 of the senior year, college visitations will be approved only for the purpose of completing fall registration at the college the student is attending.

THESE DAYS WILL BE EXCUSED ONLY WHEN A STUDENT COMPLETES A SCHOOL/CAREER VISITATION FORM AND SUBMITS THE FORM WITH APPROPRIATE SIGNATURES TO THE ATTENDANCE OFFICE THE DAY FOLLOWING THE ABSENCE. A student failing to do so will be considered TRUANT FROM SCHOOL. Parents must still call the attendance line the day of the absence and report the absence reason as school/career visitation.
