B. BOARD DISCUSSION ITEMS

Update on lunches

Business Director Gaugler provided the board with an update on the food service lunches during the shutdown. It has been confirmed that the district will not be reimbursed for any lunches because the federal guidelines were not followed - no milk component and no vegetable component was served and the district did not intentionally target free and reduced students for lunches. The loss of revenue was \$23,516 for the food. Mr. Gaugler is working with the consultant to ensure the district gets reimbursed for lunches served this school year.
